ANNUAL REPORT

OF THE

Town of Plymouth

MASSACHUSETTS

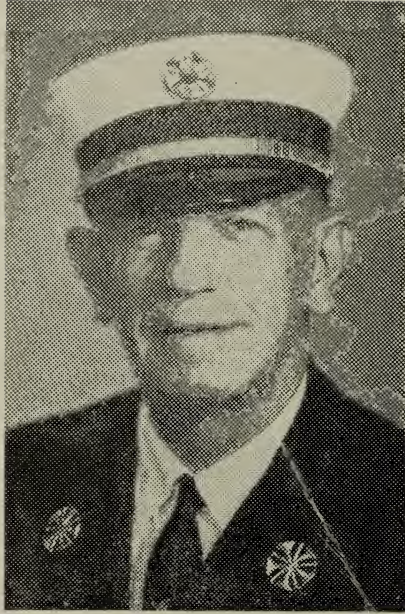

FOR THE YEAR ENDING

DECEMBER 31

1958

RETIRED
39 Years Service

EVERETT B. WOOD

Plymouth Fire Department

Private	Captain	Chief
March 3, 1920	March 22, 1929	July 1, 1939

Everett B. Wood, after 39 years of service in the fire department of the town was retired as chief on December 31, 1958.

A fearless leader in fire battle, a man of courage and right decision, Chief Wood holds the high esteem not only of those townspeople whom he served but by many top ranking fire officials throughout the county and state.

Everett B. Wood came to the Plymouth fire department as a private on March 3, 1920. He was appointed to a captaincy in the department on March 22, 1929. With the retirement of former fire chief Albert Hiller, Captain Wood was appointed chief of the department to fill the vacancy on July 1, 1939.

DELEGATES AT LARGE

General Court: Hon. John A. Armstrong
Moderator: Hon. Amedeo V. Sgarzi
Town Clerk: Herbert K. Bartlett
Board of Cemetery Commissioners: No Delegate
Board of Assessors: William H. Barrett
Park Commissioners: Walter B. Haskell
Commission of Public Safety: Paul W. Bittinger
School Committee: Ralph W. Weaver
Board of Selectmen: James T. Frazier
Water Commissioners: Arthur Addyman
Board of Public Welfare: Mrs. Margaret E. McLean
Planning Board: David M. Crawley
Advisory and Finance Committee: Paul Withington

**Annual Town Meeting, March 22, 1958, and
Adjourned Town Meetings, March 24, 25, 26
and 27, 1958**

**Including Recommendations by the Advisory and Finance
Committee**

The Meeting was called to order by the Moderator, Amedeo V. Sgarzi, at 2:00 o'clock, p.m.

Number of Town Meeting Members present March 22nd, as reported by records of Joseph Correa and Carleton Kendrick, checkers, was 176.

Number of Town Meeting Members present March 24th, as reported by records of Joseph Correa, checker, was 178.

Number of Town Meeting Members present March 25th, as reported by records of Joseph Correa, checker, was 152.

Number of Town Meeting Members present March 26th, as reported by records of Joseph Correa, checker, was 141.

The Moderator declared a quorum present March 22nd, 24th, 25th and 26th, 1958.

The Town Meeting Members were sworn to the faithful performance of their duties by Herbert K. Bartlett, Town Clerk:

Article 2. To see if the Town will vote to authorize the broadcasting of the 1958 annual town meeting and appropriate \$200 for the expenses thereof and to broadcast future town meetings, annual or special, provided that the Town receive from the broadcasting facilities a tape recording of the entire proceedings of any meeting so broadcast.

The Committee recommends the broadcasting of the 1958 town meeting, provided it is done at no expense to the town as a public service.

Mr. A. Stanton Bubbins moved that the Town authorize the broadcasting of the 1958 Annual Town Meeting as a public service without appropriation.

Mr. Francis Shea moved to amend the motion of Mr. Bubbins by substituting the following: That the Town authorize the broadcasting of the 1958 Annual Town Meeting and appropriate \$200.00 for the expenses thereof, and the Town receive from the broadcasting facilities a tape recording of the entire proceedings, and it was so voted.

Article 3. To hear reports of the several boards of officers and committees of the town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be accepted and placed on file.

It was moved by Mr. Thomas Quinn and voted: That the report of the Committee on the Revision of the Zoning By-Laws be accepted, and placed on file, and that the Committee be continued in existence until the next Annual Town Meeting.

It was moved by Mr. Edward Chase and voted: That the report of the Planning Board on the Parking and Traffic Survey as prepared by Bruce Campbell & Associates be accepted and the Moderator appoint a committee of five to study the report and to make recommendations to the Town as to what should be done and report to the Town not later than the next Annual Town Meeting and preferably at a Special Town Meeting to be held in the fall.

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1959, and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will vote to amend the Wage and Salary Classification By-law in accordance with the recommendations of the Personnel Board presently filed with the records of said Board.

The Personnel Board recommends that Schedule A and Exhibit B of the Wage and Salary Classification by-law be amended by substituting therefor the following Schedule A and Exhibit B, to be effective as of January 1, 1958:

The Personnel Board moved to amend the Wage and Salary By-Law in accordance with the recommendations of the Personnel Board, as shown in the printed report of the Advisory and Finance Committee.

It was moved to amend the motion of the Personnel Board by reducing the minima and maxima in all A, B & E classifications by \$200.00 each, but the motion to amend was lost.

The Personnel Board's motion was put before the Meeting and voted.

APPENDIX

1. Clerical work for the Retirement System is not included in the proposed salary shown.
2. Seasonal. The proposed salary shown is based on a full-time position.
3. Maintenance is provided in addition to the salary shown.

Note: In all "C" grades, the salary ranges shown are based on the hours per week as shown. Any change in hours worked would change the salaries paid in the same proportion.

The above recommendations represent the following changes:

1. \$200 increase in minima and maxima of all A, B & E classifications.
2. Deletion of Finance Committee Secretary from Town Accountant's combination job.
3. Addition of Junior Clerk to Tax Collector's Department.
4. Addition of Janitor-Meter Man to Police Department.
5. Addition of Captain-Supt. of Fire Alarm to Fire Department.
6. Deletion of Assistant Foreman and addition of Utility Man to Water Department.
7. Deletion of Librarian and addition of Library Director to Library classifications.

The Finance Committee recommends the changes listed above except No. 1, which represents an increase of \$200 in all administrative, custodial, police, and fire classifications and which the Committee does not feel that the town can afford at this time.

Article 6. To see what action the Town will take with regard to fixing the salaries of elected Town Officers.

The Committee recommends that the salaries of elected town officers be set, as of January 1, 1958, as follows:

Moderator	\$30.00
Chairman of Selectmen	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	4,259.00
Other Assessors (each)	3,650.00
Town Clerk	2,778.00
Town Treasurer	2,778.00
Collector of Taxes	4,611.00
Tree Warden	1,970.00

Voted: That the salaries of elected Town Officers be set, as of January 1, 1958, as follows:

Moderator	\$30.00
Chairman of Selectmen	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	4,680.00
Other Assessors (each)	4,160.00
Town Clerk	2,778.00
Town Treasurer	2,778.00
Collector of Taxes	4,611.00
Tree Warden	2,170.00

Article 7. To make the necessary appropriation to defray the expenses of the Town and for other purposes and to raise sums of money as the Town shall deem expedient.

Voted: That the Town substitute the figure \$9,984 for the figure \$9,784 as shown in the printed report, for Accounting Department, Salaries, Item #6.

Voted: That the Town substitute the figure \$7,020 for the figure \$6,620 as shown in the printed report, for Town Office Building, Salaries, Item #30.

Voted: That the Town substitute the figure \$5,464 for the figure \$5,335 as shown in the printed report, for Town Office Building Maintenance, Other Expenses, Item #32.

Voted: That the Town substitute the figure \$6,913 for the figure \$6,513 as shown in the printed report, for Memorial Building, Salaries, Item #33.

Voted: That the Town substitute the figure \$113,045 for the figure \$108,345 as shown in the printed report, for Police, Salaries, Item #36.

Mr. Bubbins moved to substitute the figure \$125,743 for the figure \$120,093 as shown in the printed report, for the Fire, Salaries, Item #46.

Mr. Bittinger moved to amend Mr. Bubbins' motion by substituting the figure \$127,428.20 for the figure \$125,743 and it was so voted.

Voted: That the Town substitute the figure \$2,170 for the figure \$1,970 as shown in the printed report, for Tree Warden's Salary, Item #55.

Voted: That the Town substitute the figure \$10,333 for the figure \$9,833 as shown in the printed report, for Health, Salaries, Item #74.

Voted: That the Town substitute the figure \$6,855 for the figure \$3,500 as shown in the printed report, for Sewers, Maintenance, Item #80.

Voted: That the Town substitute the figure \$6,966 for the figure \$6,566 as shown in the printed report, for Public Dumps, Salaries, Item #82.

Voted: That the Town substitute the figure \$6,270 for the figure \$5,962 as shown in the printed report, for Public Sanitarries, Salaries, Item #86.

Voted: That the Town substitute the figure \$20,198.40 for the figure \$19,798.40 as shown in the printed report, for Highway, Salaries, Item #91.

Voted: That the Town substitute the figure \$10,384.50 for the figure \$4,092.50 as shown in the printed report, for Granolithic Sidewalks and Curbing, Item #100.

Voted: That the Town substitute the figure \$16,304 for the figure \$16,104 as shown in the printed report, for Other Public Assistance, Salaries, Item #110.

Voted: That the Town substitute the figure \$6,401 for the figure \$6,201 as shown in the printed report, for Veterans' Services, Salaries, Item #113.

Mr. Weaver moved to amend the motion of Mr. Bubbins on Schools, Salaries—General Administration, Item #116, by substituting the figure \$31,338 for the figure \$30,588, but the motion to amend was lost.

Voted: That the Town substitute the figure \$586,988 for the figure \$576,415 as shown in the printed report, for School, Salaries—Teachers, Item #117, by a count of hands, 111 in the affirmative and 38 in the negative.

Voted: That the Town substitute the figure \$41,267 for the figure \$39,067 as shown in the printed report, for School, Salaries—Janitors, Item #118.

Voted: That the Town substitute the figure \$12,350 for the figure \$11,325 as shown in the printed report, for Schools, Special Repairs, Item #126, by a count of hands, 98 in the affirmative and 56 in the negative.

Voted: That the Town substitute the figure \$20,387 for the figure \$20,013 as shown in the printed report, for Park Department, Salaries, Item #133.

Voted: That the Town substitute the figure \$350 for Veterans' Day, Item #145.

Voted: That the Town substitute the figure \$28,400 for the figure \$27,850 as shown in the printed report, for Water, Salaries, Item #154.

Voted: That the Town substitute the figure \$4,047 for the figure \$3,847 as shown in the printed report, for Harbor Master, Salary, Item #158.

Voted: That the Town substitute the figure \$13,575 for the figure \$13,375 as shown in the printed report, for Cemeteries, Salaries, Item #165.

Article 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

The Committee recommends an appropriation of \$33,639.00, including the Dog Tax of \$2,054.79, of which appropriation \$28,019 shall be for salaries and \$10,620 for Other Expenses.

Voted: That the Town raise and appropriate the sum of \$38,989 including the dog tax of \$2,054.79, in aid of the Plymouth Public Library, including the Loring Branch Library, of which \$28,369 shall be for Salaries, retroactive to January 1, 1958, and \$10,620 for Other Expenses.

Article 9. To see if the Town will appropriate a sum not exceeding \$2,000 in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$2,000.

Voted: That the Town raise and appropriate the sum of \$2,000 in aid of the Manomet Public Library.

Article 10. To see what amount the Town will vote to raise and appropriate or transfer from Reserve Overlay for the Reserve Account in the hands of the Advisory and Finance Committee.

The Committee recommends an appropriation of \$25,000, of which \$15,000 shall come from the Reserve Overlay, \$2,000 to be reserved for Christmas Lighting. (See Article 19.)

Voted: That the Town raise and appropriate the sum of \$25,000 for the Reserve Account in the hands of the Advisory and Finance Committee, as recommended by the Advisory and Finance Committee, \$15,000 of which shall be from Reserve Overlay and \$10,000 from the tax levy of the current year.

Article 11. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

The Committee recommends the transfer of \$125,000 from Free Cash to reduce the tax levy of the current year. Article 24 includes a further transfer of \$55,150.

Voted: That the Town transfer the sum of \$125,000 from available funds to reduce the tax levy of the current year, as recommended by the Advisory and Finance Committee.

Article 12. To see if the Town will vote to transfer from available funds the sum of \$50,000 for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

The Committee recommends a transfer of \$25,000 from Free Cash to the Stabilization Fund.

Voted: That the Town transfer from available funds the sum of \$25,000 for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945 and recommended by the Advisory and Finance Committee.

Article 13. To see if the Town will vote to raise and appropriate the sum of \$8,337 towards the employment of one or more district nurses; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,337.

Voted: That the Town raise and appropriate the sum of \$8,337 towards the employment of one or more district nurses, said appropriation to be expended under the direction of the Board of Selectmen.

Article 14. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture, and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

The Committee recommends an appropriation of \$150.

Voted: That the Town raise and appropriate the sum of \$150 for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

Article 15. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1958 or take any action relative thereto.

The Committee recommends an appropriation of \$453.69 to meet the payment of the following 1957 unpaid bills:

Police Dept. — Gulf Oil Corporation	\$416.49
School Dept. — Plymouth Insurance Agency	17.50
Park Dept. — New England Tel. & Tel.	19.70

The School and Park bills would have been paid by a transfer from the Reserve Account had there been sufficient time for the Advisory and Finance Committee to act.

Voted (Unanimously): That the Town raise and appropriate the sum of \$453.69 for the payment of certain bills contracted in 1957 and listed in the report of the Advisory and Finance Committee.

Article 16. To see if the Town will vote to raise and appropriate a sum not exceeding \$10,000 for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen as provided by Chapter 36 of the Acts of 1954.

The Committee recommends an appropriation of \$10,000 for advertising the advantages of the town, **BUT NOT** for providing amusements or entertainments of a public character.

Voted: That the Town raise and appropriate the sum of \$10,000 for advertising the advantages of the Town, including necessary expenses incurred outside the Commonwealth, but not to be used for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Article 17. To see if the Town will vote to raise and appropriate or transfer from Parking Meter Receipts the sum of \$1,050 for the purchase of supplies for use in conjunction with parking meter collections and parts for the maintenance of parking meters.

The Committee recommends an appropriation of \$1,050 from Parking Meter Receipts, \$1,000 to be expended by the Police Department for meter repairs, etc., and \$50 by the Treasurer for supplies.

Voted: That the Town raise and appropriate from Parking Meter Receipts the sum of \$1,050 for the purchase of supplies for use in conjunction with parking meter collections and parts for the maintenance of parking meters, \$50 to be expended under the direction of the Town Treasurer and \$1,000 under the direction of the Police Department.

Article 18. To see if the Town will vote to accept seventeen cemetery perpetual care funds, amounting to \$3,750 received and deposited in the Plymouth Federal Savings and Loan Association, and one cemetery perpetual care fund, amounting to \$200 received and deposited in the Plymouth Savings Bank, all deposited in the year 1957 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as New Funds in the Town Report.

The Committee recommends favorable action.

Voted: That the Town accept seventeen cemetery perpetual care funds, amounting to \$3,750 received and deposited in the Plymouth Federal Savings and Loan Association, and one cemetery perpetual care fund, amounting to \$200 received and deposited in the Plymouth Savings Bank, all deposited in the year 1957 in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as New Funds in the Town Report.

Article 19. To see what amount the Town will vote to raise and appropriate for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends no appropriation under this article, but has included \$2,000 in the Reserve Account for transfer to Christmas Lighting to the extent that it is matched by public contribution. (See Article 10.)

Voted: That the Town make no appropriation under Article 19.

Article 20. To see if the Town will vote to accept Chapter 427 of the Acts of 1957, an Act increasing the amount of pensions of certain retired police officers and firefighters.

The Committee recommends no action.

Police Officers and Firefighters, who joined the Contributory Retirement System, retire as though they were five years older than their actual age and as though they had worked five years longer than they have actually worked.

The Committee feels that there should be no further differential between their pensions and those of other town employees.

Voted: That the Town take no action under Article 20.

Article 21. To see if the Town will vote to authorize the Board of Selectmen to convey to the Commonwealth of Massachusetts for the sum of \$1.00 Lot 41 of Plat 27 of the Assessors' Plans located at the junction of South Street and Obery Street, for State Highway purposes.

The Committee recommends favorable action.

The Planning Board has approved this action.

Voted (Unanimously): That the Town authorize the Board of Selectmen to convey to the Commonwealth of Massachusetts for the sum of \$1.00 a parcel of land in Plymouth being a portion of Lot 41 of Plat 27 of the Assessors' Plans and shown as Lot A on a plan entitled "Town of Plymouth Land on Obery Street, Scale 1" = 40', January 25, 1958, Edward Chase, Town Engineer," for use by the Massachusetts Department of Public Works.

Article 22. To see if the Town will vote to raise and appropriate the sum of \$500 for the purchase of the temporary sanitariums located on the waterfront from the Commonwealth of Massachusetts; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under 22.

Mr. James Frazier moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appropriate the sum of \$500 for the purchase of the temporary sanitariums located on the waterfront from the Commonwealth of Massachusetts and it was so voted.

Article 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase or taking by eminent domain a parcel of land 150 feet in width containing approximately 3.8 acres adjoining the Plymouth Airport on the east; to be used for airport purposes.

The Committee recommends an appropriation of \$150.

The Planning Board has approved this action.

Voted (Unanimously): That the Town raise and appropriate \$150 for the purpose of acquiring by purchase for airport purposes a parcel of land in the Town of Plymouth, located on the easterly side of the Plymouth Airport, 150 feet in width and containing approximately 3.8 acres, bounded and described as follows:

Beginning at a concrete bound which bears S 38°27'51" E from and is distant 1,220.00 feet from a concrete bound in the southeasterly line of South Meadow Road, which latter bound marks the beginning point of Tract No. 2 described in the instrument of transfer from the United States of America to the Town of Plymouth dated June 25, 1956 and recorded in Book 2517, Page 8, at the Plymouth County Registry of Deeds; thence N 51°32'09" E 300.00 feet to a concrete bound; thence N 38°27'51" W 100.00 feet to a concrete bound; thence N 51°32'09" E 800.00 feet to a concrete bound, the last mentioned three courses being by land of the Town of Plymouth; thence S 38°27'51" E 150.00 feet to a concrete bound; thence S 51°32'09" W 800.00 feet to a concrete bound; thence S 38°27'51" E 100.00 feet to a concrete bound; thence S 51°32'09" W 300.00 feet to a concrete bound; thence N 38°27'51" W 150.00 feet to the point of beginning.

Article 24. To see if the Town will vote to raise and appropriate or transfer from unappropriated available funds

in the Treasury, a sum of money for Chapter 90 Highway Construction and Chapter 90 Maintenance or take any action in relation thereto.

The Committee recommends an appropriation of \$74,000, the Town's share amounting to \$18,850 from the tax levy, the state and County's shares amounting to \$55,150 from Free Cash.

Voted: That the Town raise and appropriate the sum of \$74,000 for Chapter 90 Maintenance and Construction, \$18,850 from the tax levy of the current year to meet the Town's share of the cost and \$55,150 from available funds to meet the State and County shares of the cost, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the Treasury.

Article 25. To see if the Town will vote to raise and appropriate the additional sum of \$25,000 for construction of a bulkhead at the Town Wharf; said appropriation to be spent in conjunction with funds to be provided by the Commonwealth of Massachusetts, the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

The Committee recommends an appropriation of \$25,000.

Voted: That the Town raise and appropriate the additional sum of \$25,000 to construct a bulkhead at the town wharf, said appropriation to be spent in conjunction with funds to be provided by the Commonwealth of Massachusetts, the Town to assume liability as provided by Section 29 of Chapter 91, as amended, for damages incurred hereunder.

Article 26. To see if the Town will vote to raise and appropriate the sum of \$2,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of stone revetment at Bartlett Brook, a continuation of the 1956 work; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 26.

Mrs. Sarah C. Nagle moved to amend the motion of Mr. Bubbins as follows: That the Town of Plymouth raise and appropriate the sum of \$2,000 to be spent in conjunction with

sums to be provided by the State or County, or both, for the construction of stone revetment at Bartlett Brook, a continuation of the 1956 work; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder, and it was so voted.

Article 27. To see if the Town will vote to raise and appropriate the sum of \$4,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of waterfront protection at Manomet Bluffs and that to meet said appropriation the sum of \$2,000 to be appropriated from the tax levy of the current year and \$2,000 from money in the Town Treasury received from abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

The Committee recommends an appropriation of \$4,000, provided \$2,000 of this appropriation is deposited with the Town Treasurer by the abutters before town meeting. The total estimated cost of this project is \$16,000, \$8,000 to be allotted by the Commonwealth and \$4,000 by the County.

Voted: That the Town raise and appropriate the sum of \$4,000 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of waterfront protection at Manomet Bluffs and that to meet said appropriation the sum of \$2,000 to be appropriated from the tax levy of the current year and \$2,000 from money in the Town Treasury received from abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

Article 28. To see if the Town will vote to raise and appropriate the sum of \$1,250 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of waterfront protection at Ellisville (Black Pond area) and that to meet said appropriation the sum of \$625 be appropriated from the tax levy of the current year and \$625 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws as amended, for all damages incurred hereunder.

The Committee recommends an appropriation of \$1,250, provided \$625 of this appropriation is deposited with the Town Treasurer by the abutters before town meeting. The total estimated cost of this project is \$5,000, \$2,500 to be allotted by the Commonwealth and \$1,250 by the County.

Voted: That the Town raise and appropriate the sum of \$1,250 to be spent in conjunction with sums to be provided by the State or County, or both, for the construction of waterfront protection at Ellisville (Black Pond area) and that to meet said appropriation the sum of \$625 be appropriated from the tax levy of the current year and \$625 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

Article 29. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

The Committee recommends favorable action.

Voted: That the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws as most recently amended by Chapter 5, Acts of 1955, for all damages that may be incurred for the improvement, development, maintenance, and protection of tidal and non-tidal rivers and streams, harbors, tidewater, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Mr. A. Stanton Bubbins moved that the Town consider Article 30 and Article 31 as one article and it was so voted.

Article 30. To see if the Town will rescind the action taken under Article 81 of the 1956 Annual Town Meeting whereby the Selectmen were authorized to purchase or ac-

quire by eminent domain two parcels of land for school purposes.

The Committee recommends that Articles 30 and 31 be taken up as one article.

The 1956 action referred to in Article 30 authorized the Town to purchase two parcels of land, one for an elementary school and one for a secondary school. Present plans contemplate only the use of Parcel A, therefore your Committee recommends rescinding that portion of the vote under Article 81 of the 1956 annual town meeting which refers to the description of land and substituting therefor the description of Parcel A alone, as referred to in Article 31, negotiations with the several owners of the property involved to be the responsibility of the School Committee.

The Planning Board has approved the acquisition of this land by the town.

Article 31. To see if the Town will authorize the Selectmen to purchase or acquire by eminent domain a parcel of land containing 50.56 acres on Braley Lane shown as Parcel A on plan entitled "Town of Plymouth, Plan of Proposed Sites for Future Schools, Scale 1" = 100 feet, March 20, 1956, Delano & Keith, Surveyors, Plymouth, Mass." filed with the Town Clerk and make an appropriation for land and property damages and expenses for acquiring titles.

See recommendation under Article 30.

Voted: That the Town rescind so much of the action taken under Article 82 of the 1956 Annual Town Meeting as refers to Parcel B, as shown on a plan entitled "Town of Plymouth, Plan of Proposed Sites for Future Schools, Scale 1" = 100', Delano & Keith, Surveyors, Plymouth, Mass.," filed with the Town Clerk, and so much of said action as pertains to the acquisition by eminent domain of Parcel A as shown on said plan; that the negotiations for the purchase of said Parcel A be conducted under the supervision of the School Committee and that the Selectmen be authorized to acquire said Parcel A in its entirety, by purchase and not by eminent domain, and as amended by Mr. Paul Whipple, said purchase to be made on or before July 1, 1958.

Article 32. To see if the Town will vote to accept from Miss Mary E. Bacon, Mrs. Arthur L. Freeland, Mrs. Henry F. Parmenter and Mrs. Harold O. Woolley a gift of .91 acres

of land west of and adjacent to the Manomet Elementary School lot, being a portion of lot 37 on Assessors' Plan No. 45.

The Committee recommends favorable action.

The Planning Board has approved acquisition of this land by the town.

Voted: That the Town accept as a gift, for municipal purposes, from Miss Mary E. Bacon, Mrs. Arthur L. Freeland, Mrs. Henry F. Parmenter and Mrs. Harold O. Woolley, a parcel of land situated in Plymouth, in that part known as Manomet, northwesterly of Manomet Point Road, so-called, containing approximately .91 acres, west of and adjacent to the Manomet Elementary School lot, being a portion of Lot 37 of Plat 45 of the Assessors' Plans, bounded and described as follows:

Beginning at the northeasterly corner thereof, at an iron pipe, said iron pipe marking the most northwesterly corner of the Manomet School lot and said iron pipe also marking a point in the southwesterly line of Lot 116 as shown on a plan entitled "Plan of Manomet Heights, Plymouth, Mass., Scale 1" = 30 feet, September 1, 1949, Delano & Keith, Surveyors"; thence running by said Manomet School lot S 11°11'40" 484.11 feet to land of Alan W. Ferris et ux; thence turning and running by land of said Ferris N 75°25'30" W 86.44 feet; thence turning and running by a line which is the extension of the westerly side-line of Beach Street as shown on said plan N 12°10'30" E 484.28 feet to a point marking the most southwesterly corner in the terminus of said Beach Street, said point also marking the southeasterly corner of Lot 115 as shown on said plan; thence turning and running by said Beach Street, and by a portion of Lot 116 as shown on said plan S 74°59'10" E 78.18 feet to the point of beginning.

Article 33. To see if the Town will vote to authorize the Board of Selectmen to purchase 1.91 acres of land west of and adjacent to the Manomet Elementary School lot, being a portion of Lot 29 on Assessors' Plan No. 45 and to raise and appropriate \$1,100 for land and property damages and expenses of acquiring titles.

The Committee recommends an appropriation of \$1,100, \$900 for purchase and \$200 for expenses of acquiring titles.

The Planning Board has approved the acquisition of this land by the town.

Voted (Unanimously): That the Town raise and appropriate \$1,100 for the purchase of and expenses of acquiring title to, for municipal purposes, a parcel of land situated in Plymouth, in that part known as Manomet, located northwesterly of Manomet Point Road, so-called, containing approximately 1.91 acres, west of and adjacent to the Manomet Elementary School lot, being a portion of Lot 29 of Plat 45 of the Assessors' Plans, bounded and described as follows:

Beginning at the northeasterly corner thereof, in the line of the Manomet School lot, said point also marking the southeasterly corner of land of Katherine F. Freeland et als; thence by land of said Freeland et als, N 75°25'30" W 326.65 feet to a point in the extension of the westerly side of Elm Street, as shown on a plan entitled "Plan of Manomet Heights, Plymouth, Mass., Scale 1" = 80 feet, Sept. 1, 1949, Delano & Keith, Surveyors"; thence by said line of extension S 12°10'30" W 275.40 feet to a point in the extension of the southwesterly line of said Manomet School lot; thence by said line of extension of said southwesterly line of said Manomet School lot S 83°13'10" E 331.78 feet to a concrete bound, said bound marking the southwesterly corner of said Manomet School lot and said bound also marking the northwesterly corner of land now or formerly of Allan S. Gillis; thence turning and running by said Manomet School lot N 11°11'40" E 230.55 feet to the point of beginning.

Article 34. To see if the Town will vote that the Moderator appoint a High School Building Committee of 7 in accordance with recommendation No. 1 of the Report of the Committee of 5 appointed under Article 36 of the 1957 Annual Town Meeting; said Committee of 7 to report at the next annual town meeting with plans, specifications and estimates of cost for the building of a school as outlined in said recommendation.

The Committee recommends favorable action. (See report of special committee preceding Article 34.)

Voted: That the Town instruct the Moderator to appoint a Senior High School Building Committee of seven, one member to be a member of the School Committee, this committee to report to the Town at the next Annual Town Meeting with plans, specifications, and estimates of cost for the building of a 600-seat, 3 year senior high school. The building should be

functional and economical to build and operate, all installations of a common nature in the building should be built to accommodate 900 seats.

Article 35. To see if the Town will vote to raise and appropriate the sum of \$75,000 to defray the expenses of engineering, architectural plans and estimates of cost; said funds to be expended under the direction of the Committee appointed under Article 34.

The Committee recommends an appropriation of \$75,000.
(See report of special committee preceding Article 34.)

Mr. A. Stanton Bubbins moved that the Town raise and appropriate \$8,500 to defray the expenses of engineering, architectural plans and estimates of costs of a new high school building; said funds to be expended under the direction of the Committee appointed under Article 34.

Mr. John Armstrong moved to amend the motion by substituting in place a motion to authorize the Plymouth School Committee and the School Building Committee to apply to the Community Facilities Administration of the Federal Government for an interest-free advance of not more than \$75,000 Federal Funds for the purpose of preparing plans for the building of a new high school.

Mr. Winokur moved to amend the motion of Mr. Armstrong by substituting for the figure \$75,000 the figure \$8,500 and by adding the following "provided the Town acquire the Braley Lane site so-called." Amendment rejected.

Mr. Bryce Prindle moved to amend the motion of Mr. Armstrong by substituting for the figure \$75,000 the figure \$72,500, and adding the following: "and that the Town appropriate the sum of \$2,500 for the use of said committee." This motion to amend was carried.

The original motion of Mr. Bubbins with the amendments of Mr. Armstrong and Mr. Prindle was voted.

Article 36. To see if the Town will vote that the Moderator appoint a Committee of 7 to handle the renovation of the present Junior-Senior High School in accordance with recommendation No. 2 of the Committee of 5 appointed under Article 36 of the 1957 annual meeting; said Committee of 7 to report to the Town at each annual town meeting during its existence.

The Committee recommends favorable action. (See report of special committee preceding Article 34.)

Voted: That the Town instruct the Moderator to appoint a Renovations Committee of seven, one member to be a member of the School Committee, this committee to direct the renovation of the present Junior-Senior High School and make the necessary changes to adapt the building to house classes 5 through 9, all renovations and changes to be made in conjunction with the building of the new high school and the School Committee's schedule for transferring the 5th and 6th grades from the elementary schools into this building. The renovations to be completed not more than a year after the completion of the new Senior High School Building, said committee of 7 to report to the Town at each Annual Town Meeting during its existence.

Article 37. To see if the Town will vote to raise and appropriate the sum of \$80,000 to defray the expenses of the renovation of the present Junior-Senior High School; said funds to be expended under the direction of the Committee of 7 created under Article 36.

The Committee recommends an appropriation of \$1,000 for the expenses of the committee appointed under Article 36, including the cost of drawing up preliminary plans.

The Committee feels that the actual cost of renovation should be considered at a later town meeting. (See report of special committee preceding Article 34.)

Voted: That the Town raise and appropriate \$1,000 for the expenses of the committee appointed under Article 36, including the cost of drawing up preliminary plans for the renovation of the present Junior-Senior High School.

Article 38. To see if the Town will vote that the Moderator appoint a Future School Site Committee of 5 to operate according to recommendation No. 3 of the report of the Committee of 5 appointed under Article 36 of the 1957 annual meeting; said Committee to report from time to time to the Town with their recommendations.

The Committee recommends favorable action. (See report of special committee preceding Article 34.)

Voted: That the Town instruct the Moderator to appoint a Committee of five for the purpose of recommending to the Town the purchases of future school sites, this committee to report to the Town for a period of four years at each Annual Town Meeting with its recommendations.

Article 39. To see if the Town will vote to raise and appropriate the sum of \$500 to defray the expenses of a Future School Site Committee created under Article 38.

The Committee recommends an appropriation of \$500. (See report of special committee preceding Article 34.)

The recommendations of the Advisory and Finance Committee on Articles 34-39 are based on the premise that favorable action has been taken by the town under Articles 30 and 31.

Voted: That the Town raise and appropriate \$500 to defray the expenses of a Future School Site Committee appointed under Article 38.

Article 40. To see if the Town will vote to change to South Park Avenue the name of the street running northeasterly from Depot Park to Water Street which street was laid out as Water Street Extension in 1881; and to change to Water Street the name of the street running northwesterly from Town Wharf to Nelson Street which street was laid out in three portions as Water Street Extension in 1893, 1914 and 1924.

The Committee recommends favorable action.
The Planning Board has approved.

Voted: That the Town change to South Park Avenue the name of the street running northeasterly from Depot Park to Water Street and to change to Water Street the name of the street running northwesterly from Town Wharf to Nelson Street.

At 10:45 p.m., March 24th, 1958, on motion of Mr. Francis Murphy, it was voted to adjourn until Tuesday, March 25th, at 7:30 p.m.

ADJOURNED TOWN MEETING, MARCH 25, 1958

Article 41. To see if the Town will vote to raise and appropriate the sum of \$2,000 from the sale of cemetery lots and graves, to be expended by the Board of Cemetery Commissioners for the embellishment and improvement of Oak Grove and Vine Hills Cemeteries and the embellishment and improvement of the Manomet Cemetery; \$1,500 of this appropriation to be used for Oak Grove and Vine Hills Cemeteries and \$500 to be used for the Manomet Cemetery.

The Committee recommends an appropriation of \$2,000 from Sale of Cemetery Lots and Graves Fund.

Voted: That the Town raise and appropriate or transfer from the Sale of Cemetery Lots and Graves Fund the sum of \$2,000, to be expended by the Cemetery Commissioners for the improvement and embellishment of cemeteries, of which \$1,500 shall be for Oak Grove and Vine Hills Cemeteries and \$500 for Manomet Cemetery.

Article 42. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the purchase of an automobile for the Tree Department and to dispose of the 1952 Ford now in service.

The Committee recommends an appropriation of \$1,700.

Voted: That the Town raise and appropriate the sum of \$1,850 for the purchase of an automobile for the Tree Department and to dispose of the 1952 Ford now in service.

Article 43. To see if the Town will vote to raise and appropriate the sum of \$500 to repair and recondition the 1952 Ford car now in use by the Tree Department.

The Committee recommends no action provided favorable action has been taken under Article 42.

Voted: That the Town take no action under Article 43.

Article 44. To see if the Town will vote to raise and appropriate the sum of \$1,900 for the purchase of a $\frac{3}{4}$ ton pick-up truck for the Highway Department and dispose of the 1953 pick-up truck now in use.

The Committee recommends no action.

Voted: That the Town take no action under Article 44.

Article 45. To see if the Town will vote to raise and appropriate the sum of \$12,500 for a new motor street sweeper for the Highway Department and dispose of the 1950 sweeper now in use.

The Committee recommends no action.

Voted: That the Town take no action under Article 45.

Article 46. To see if the Town will vote to raise and appropriate the sum of \$9,440 to install a sewer approximately 1,720 feet in length in Cherry Street Court, in private property and private ways leading to Bourne Street. (By Petition)

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 46.

Mr. James Frazier moved to amend Mr. Bubbins' motion by substituting the following: That the Town raise and appropriate the sum of \$9,440 to install a sewer approximately 1720 feet in length in Cherry Street Court in private property and private ways leading to Bourne Street and to authorize the Selectmen to acquire from John W. Maderos and Lydia J. Maderos an easement for sewer purposes to lay and maintain sewer pipes and manholes over a strip of land 10 feet in width as shown on a plan entitled "Town of Plymouth, Proposed Sewer Easement, Scale 1" = 40', Jan. 11, 1958, Edward Chase, Town Engineer," to be recorded.

The motion was taken by a show of hands, 55 in the affirmative and 66 in the negative and was lost.

The original motion was put before the Meeting and was voted.

Article 47. To see if the Town will vote to raise and appropriate the sum of \$5,700 to extend the sewer in Westerly Road from Alden Street Extension to Liberty Street. (By Petition)

The Committee recommends no action.

Voted: That the Town take no action under Article 47.

Article 48. To see if the Town will vote to raise and appropriate the sum of \$72,851 for the construction and reconstruction of various streets in the Town and determine whether the money shall be provided for by taxation, by appropriation from available funds including the Stabilization Fund and/or the Post War Rehabilitation Fund or by borrowing under Chapter 44 of the General Laws, or take any action relative thereto.

The Committee recommends an appropriation of \$23,000 from the tax levy including the \$22,535 itemized under Item 98 of Article 7. The request under this article is a duplication of the request under Item 98 of Article 7.

Voted: That the Town raise and appropriate \$23,000 for the construction and reconstruction of various streets in the Town.

Article 49. To see if the Town will vote to raise and appropriate the sum of \$3,000 to hard-surface approximately 2 miles of Center Hill Road in the Ellisville section of Plymouth. (By Petition)

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 49.

Mr. Oscar Marsh moved to amend Mr. Bubbins' motion by the following: That the Town raise and appropriate the sum of \$3,000 to hard surface a portion of Center Hill Road in the Ellisville section of Plymouth.

Article 50. To see if the Town will vote to raise and appropriate the following sums for the designated purposes; to be expended under the direction of the Park Department:

1. \$1,950 to purchase 4-wheel drive truck and dispose of one now in use

The Committee recommends an appropriation of \$1,500.

2. \$ 650 to purchase and erect chain link fence on south side of entrance to Stephens Field from Sandwich Street

The Committee recommends no action.

3. \$1,000 to install additional electric power outlets at the town camping area at Nelson Street

The Committee recommends an appropriation of \$1,000.

4. \$ 750 to purchase and install chain link fence with gate on town-owned land on north side of road from Water Street Extension to Nelson Street bathhouse

The Committee recommends no action.

5. \$ 715 to purchase and install chain link fence on town-owned land to entrance of Stephens Field from Fremont Street

The Committee recommends an appropriation of \$715.

6. \$3,000 to hard top the present clay tennis court at Stephens Field

The Committee recommends no action.

7. \$1,900 to purchase additional bleacher seats

The Committee recommends no action.

8. \$ 936 to purchase and install chain link fence to enclose the tennis court at Veterans' Field

The Committee recommends an appropriation of \$936.

9. \$7,500 to hard surface the town-owned area north of bathhouse at Plymouth Beach

The Committee recommends no action.

Item 1. Voted: That the Town raise and appropriate \$1,500 to purchase a 4-wheel drive truck for the Park Department and dispose of one now in use.

Item 2. Mr. A. Stanton Bubbins moved that the Town take no action under Article 50—Item 2.

Mr. Walter Haskell moved to amend Mr. Bubbins' motion that the Town appropriate a sum of \$270 to erect 373 feet of 3 ft. high chain link fence on the south side of the entrance to Stephens Field from Sandwich Street; said appropriation to be expended under the direction of the Park Department and the amendment was voted.

Item 3. Voted: That the Town raise and appropriate the sum of \$1,000 to install additional electric power outlets at the town camping area at Nelson Street, said sum to be expended under the direction of the Park Department.

Item 4. Voted: That the Town take no action under Article 50—Item 4.

Item 5. Voted: That the Town raise and appropriate the sum of \$715 to purchase and install chain link fence on town-owned land to entrance of Stephens Field from Fremont Street, said sum to be expended under the direction of the Park Department.

Item 6. Mr. A. Stanton Bubbins moved that the Town take no action under Article 50—Item 6.

Mr. Walter Haskell moved to amend Mr. Bubbins' motion by the following: That the Town appropriate a sum of \$3,000 to hard-surface the present two clay tennis courts at Stephens Field, said appropriation to be expended under the direction of the Park Department, and the amendment was voted.

Item 7. Voted: That the Town take no action under Article 50—Item 7.

Item 8. Voted: That the Town raise and appropriate the sum of \$936 to purchase and install chain link fence to

enclose the tennis court at Veterans' Field, said sum to be expended under the direction of the Park Department.

Item 9. Voted: That the Town take no action under Article 50—Item 9.

Article 51. To see if the Town will authorize the Park Department to construct and maintain an ice skating rink at the Summer Street Playground and make an appropriation therefor; said appropriation to be expended under the direction of the Park Department.

The Committee recommends no action.

Voted: That the Town take no action under Article 51.

Article 52. To see if the Town will vote to name the Nelson Street Playground and Camp Ground and that land recently acquired by the Town as a gift from Amelia Nelson Magee "The Nelson Memorial Recreation Area."

The Committee recommends favorable action.

Voted: That the Town name the Nelson Street Playground and Camp Ground and that land recently acquired by the Town as a gift from Amelia Nelson Magee "The Nelson Memorial Recreation Area."

Article 53. To see what amount the Town will vote to raise and appropriate to pay land damages in connection with the new County layout of a part of South Street.

The Committee recommends an appropriation of \$5,000.

The Planning Board has approved the layout.

Voted (Unanimously): That the Town raise and appropriate \$5,000 to pay land damages in connection with the new County layout of a part of South Street.

Article 54. To see if the Town will accept and allow as a town way the alteration of the street lines of South Street on the southwesterly side between Towns Street and Braley Lane as laid out by the Selectmen and reported to the Town and make appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this alteration and an appropriation of \$525, \$425 for land damages and \$100 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted (Unanimously): That the Town accept and allow as a town way the alteration of the street lines of South Street on the southwesterly side between Towns Street and Braley Lane as laid out by the Selectmen and reported to the Town and appropriate \$525 for land and property damages and expenses for acquiring titles.

Article 55. To see if the Town will vote to abandon a portion of Holmes Terrace which was accepted by the Town on March 28, 1953 between Holmes Terrace and Atlantic Street as laid out by the Selectmen and reported to the Town.

The Committee recommends favorable action.

The Planning Board has approved.

Voted (Unanimously): That the Town abandon a portion of Holmes Terrace which was accepted by the Town on March 28, 1953, between Holmes Terrace and Atlantic Street as laid out by the Selectmen and reported to the Town.

Article 56. To see if the Town will authorize the Board of Selectmen to convey to Forlong C. Hilton and Estelle S. Hilton for the sum of \$1.00 a parcel of land consisting of 12,973 square feet, more or less and extending from the easterly end of Holmes Terrace to Atlantic Street.

The Committee recommends favorable action.

Articles 55, 56 and 57 represent a relocation of a portion of Holmes Terrace. The conveyance of this land to the Hiltons is more than offset by the taking from them under Article 57.

Voted: That the Town authorize the Selectmen to convey to Forlong C. Hilton and Estelle S. Hilton for the sum of \$1.00 a parcel of land in the Town of Plymouth situated between Holmes Terrace and Atlantic Street containing 12,973 sq. ft. and shown on a plan entitled "Town of Plymouth, Proposed Extension of Holmes Terrace and Abandonment of a Portion Thereof, Scale 1" = 40 feet, January 8, 1958, Edward Chase, Town Engineer."

Article 57. To see if the Town will accept and allow as a town way Holmes Terrace between Holmes Terrace and Atlantic Street adjacent to the N. Y. N. H. & H. Railroad as laid out by the Selectmen and reported to the Town and make

an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this street and an appropriation of \$300 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted (Unanimously): That the Town accept and allow as a town way Holmes Terrace between Holmes Terrace and Atlantic Street adjacent to the N.Y., N.H. & H. Railroad as laid out by the Selectmen and reported to the Town and appropriate \$300 for land and property damages and expenses for acquiring titles.

Article 58. To see if the Town will accept and allow as a town way the alteration in the street lines at the southeasterly corner of Sandwich Street and Lincoln Street as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this alteration and an appropriation of \$218, \$118 for land and property damages, and \$100 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted (Unanimously): That the Town accept and allow as a town way the alteration in the street lines at the southeasterly corner of Sandwich Street and Lincoln Street as laid out by the Selectmen and reported to the Town and appropriate \$218 for land and property damages and expenses for acquiring titles.

Article 59. To see if the Town will accept and allow as a town way the alteration in the street lines at the northeasterly corner of Robinson Street and Sagamore Street as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this alteration and an appropriation of \$100 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted: That the Town accept and allow as a town way the alteration in the street lines at the northeasterly corner of Robinson Street and Sagamore Street as laid out by the Selectmen and reported to the Town and appropriate \$100 for land and property damages and expenses for acquiring titles.

Article 60. To see if the Town will accept and allow as a town way the alteration in the street lines at the north-easterly corner of Robinson Street and Mayflower Street as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this alteration and an appropriation of \$100 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted (Unanimously): That the Town accept and allow as a town way the alteration in the street lines at the north-easterly corner of Robinson Street and Mayflower Street as laid out by the Selectmen and reported to the Town and appropriate \$100 for land and property damages and expenses for acquiring titles.

Article 61. To see if the Town will accept and allow as a town way Lothrop Street between the N. Y. N. H. & H. Railroad and Water Street as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends acceptance of this portion of Lothrop Street and an appropriation of \$100 for expenses of acquiring titles.

The Planning Board has approved as to layout only.

Voted (Unanimously): That the Town accept and allow as a town way Lothrop Street between the N.Y., N.H. & H. Railroad and Water Street as laid out by the Selectmen and reported to the Town and appropriate \$100 for land and property damages and expenses for acquiring titles.

Article 62. To see if the Town will vote to abandon a portion of Peck Avenue containing 46 square feet lying on the northwesterly side of Peck Avenue which was altered and accepted by the Town on March 26, 1956 as laid out by the Selectmen and reported to the Town.

The Committee recommends no action.

The Planning Board has not approved.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 62.

Mr. James Frazier moved to amend Mr. Bubbins' motion by substituting the following: That the Town abandon a

portion of Peck Avenue containing 46 square feet lying on the northwesterly side of Peck Avenue which was altered by the Town on March 26, 1956, as laid out by the Selectmen and reported to the Town, and the amendment was voted.

Article 63. To see if the Town will authorize the Board of Selectmen to convey to Joseph C. and Mary M. Mathias for the sum of \$1.00 a parcel of land on Peck Avenue consisting of 46 square feet.

The Committee recommends no action.

Favorable action under Article 62 would be required for conveyance under this article.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 63.

Mr. James Frazier moved to amend Mr. Bubbins' motion by substituting the following: That the Town authorize the Board of Selectmen to convey to Joseph C. and Mary M. Mathias for the sum of \$1.00 a parcel of land on Peck Avenue consisting of 46 square feet, and the amendment was voted.

Article 64. To see if the Town will accept and allow as a town way, Homer Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages, expenses for acquiring titles and the private water line in said Avenue.

The Committee recommends no action.

The Planning Board has approved as to layout only.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 64.

Mr. James Frazier moved to amend Mr. Bubbins' motion by substituting the following: That the Town accept and allow as a town way, Homer Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and appropriate \$100 for land and property damages, expenses for acquiring titles and the private water line in said Avenue, and the amendment was voted.

Article 65. To see if the Town will accept and allow as a town way Phoenix Court as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends no action.

The Planning Board has approved as to layout only.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 65.

Mr. James Frazier moved to amend Mr. Bubbins' motion by substituting the following: That the Town accept and allow as a town way, Phoenix Court, as laid out by the Selectmen and reported to the Town and appropriate \$100 for land and property damages and expenses for acquiring titles, and the amendment was voted.

Article 66. To see if the Town will authorize the Selectmen to purchase from Rosella M. Schnetzer, Lot No. 55, Plat 16 of the Assessors' Plans, located on Davis Street for highway drainage purposes and make an appropriation therefor.

The Committee recommends an appropriation of \$515 for the purchase and expenses of acquiring title.

The Planning Board has approved of the acquisition of this land by the town.

Voted: That the Town authorize the Selectmen to purchase from Rosella M. Schnetzer, Lot No. 55, Plat 16 of the Assessors' Plans, located on Davis Street, for highway drainage purposes and appropriate \$515 therefor.

Article 67. To see if the Town will authorize the Selectmen to grant to the Plymouth County Electric Company for the sum of \$200 an easement over a strip of land not exceeding 100 feet in width extending westerly from the Long Pond Road through the Town Forest to land of Adrian P. Whiting et al; said strip to include the 30 foot right of way, being the present location of the high tension line of said Company.

The Committee recommends favorable action.

The Planning Board has approved the granting of this easement.

Voted (Unanimously): That the Town authorize the Selectmen to grant to the Plymouth County Electric Company, for the sum of \$200, an easement for the erection and maintenance of a high tension electric line over a strip of land not exceeding 100 feet in width extending westerly from the Long Pond Road or South Pond Road, through the Town Forest to land of Adrian P. Whiting et al; said strip to include the 30 foot right of way which is the present location of the high tension line of said Company, as shown on plan entitled

"Plymouth Electric Light Company, Plan of Transmission Line in the Town of Plymouth, from Federal Furnace Road to Chiltonville, Scale 1" = 200 feet, October, 1914, Bailey & Keith, Civil Engineers, 4 Market Street, Plymouth, Mass.," which plan is duly recorded with Plymouth County Registry of Deeds.

Article 68. To see if the Town will authorize the Selectmen to reconvey to Joseph G. Callahan for no consideration, 18.80 acres of land in Cedarville shown as Parcel "B" on a plan entitled "Town of Plymouth, Cedarville Dump, Scale: 1 inch = 100 feet, December 14, 1957, Edward Chase, Town Engineer."

The Committee recommends favorable action. This conveyance represents that portion of the land previously taken by the town for a dump which is not required for that purpose.

The Planning Board has approved.

Voted (Unanimously): That the Town authorize the Selectmen to convey to Joseph G. Callahan for no consideration a parcel of land in the Cedarville section of Plymouth containing approximately 18.80 acres and shown as parcel B on a plan entitled "Town of Plymouth, Cedarville Dump, Scale, 1" = 100 feet, December 14, 1957, Edward Chase, Town Engineer."

Article 69. To see if the Town of Plymouth will vote to raise and appropriate from available funds or from the tax levy, the sum of \$1,800 to pay one-half of the reconstruction work of the upper half of the South Street Fire House in conjunction with the Veterans of World War II and Korea. (By Petition)

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 69.

Mr. Paul Whipple moved to amend Mr. Bubbins' motion by substituting the following: That the Town appropriate from available funds, other than the tax levy, the sum of \$800 payable to the Plymouth National Bank to cover part of the cost of the reconstruction of the upper floor of the South Street Fire House in conjunction with reconstruction which the Veterans of World War II and Korea have undertaken, and the amendment was voted.

Article 70. To see if the Town will vote to raise and appropriate the sum of \$7,500 to make certain changes in the heating system in the Memorial Building.

The Committee recommends an appropriation of \$7,500.

Mr. A. Stanton Bubbins moved that the Town raise and appropriate the sum of \$7,500 to make certain changes in the heating system in the Memorial Building, but the motion was lost.

Article 71. To see if the Town will vote to raise and appropriate the sum of \$6,126 for repairs to the roof of the Memorial Building.

The Committee recommends an appropriation of \$6,126.

Voted: That the Town raise and appropriate \$6,126 for repairs to the roof of the Memorial Building.

Article 72. To see if the Town will vote to raise and appropriate the sum of \$1,658 for the purchase of boat and motor for use of the Harbor Master; said amount to include operating expenses and insurance.

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 72.

Mr. James Frazier moved to amend Mr. Bubbins' motion by the following: That the Town raise and appropriate the sum of \$1,650 for the purchase of boat and motor for use of the Harbor Master; said amount to include operating expenses and insurance. Taken by a count of hands, 64 in the affirmative, 60 in the negative, the amendment was voted.

Article 73. To see if the Town will vote to raise and appropriate the following sums for the designated purposes; to be expended under the direction of the Commission of Public Safety:

1. \$40,000 to purchase one 75' aerial ladder truck for the Fire Department and dispose of 1916 ladder truck

The Committee recommends no action.

Item. 1. Mr. A. Stanton Bubbins moved that the Town take no action under Article 73—Item 1.

Mr. Paul Bittinger moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appro-

priate the sum of \$40,000 for the purchase of one 75 foot aerial ladder truck for the Fire Department, to be spent under the jurisdiction of the Commission of Public Safety, and to dispose of a 1916 ladder truck, but the motion to amend was lost.

The original motion was put before the Meeting and voted.

At 11:00 p.m., March 25th, 1953, on motion of Mr. Reuben Winokur, it was voted to adjourn until Wednesday, March 26th, at 7:30 p.m.

ADJOURNED TOWN MEETING, MARCH 26, 1953

2. \$15,000 to purchase one 500 gallon triple combination pumping engine for the Fire Department and dispose of 1936 500-gallon pumper

The Committee recommends no action.

Item 2. Mr. A. Stanton Bubbins moved that the Town take no action under Article 73—Item 2.

Mr. Paul Bittinger moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appropriate the sum of \$15,000 to buy one 500 gallon triple combination pumping engine for the Fire Department and dispose of the 1936 500 gallon pumper, but the motion to amend was lost.

The original motion was put before the Meeting and voted.

3. \$ 5,500 to purchase and equip a 4 wheel drive Forest Fire Truck for the Forest Fire Department

The Committee recommends an appropriation of \$5,500.

Item 3. Voted: That the Town raise and appropriate \$5,500 to purchase and equip a 4-wheel drive Forest Fire Truck for the Forest Fire Department, said appropriation to be expended under the direction of the Commission of Public Safety.

4. \$ 3,160 to purchase and install Tone Control for Manomet and Cedarville

The Committee recommends no action.

Item 4. Mr. A. Stanton Bubbins moved that the Town take no action under Article 73—Item 4.

Mr. Paul Bittinger moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appropriate the sum of \$3,160 to purchase and install Tone Control for Manomet and Cedarville, said sum to be expended under the direction of the Commission of Public Safety, and the amendment was voted.

5. \$ 1,908 to purchase a rescue boat for the Fire Department

The Committee recommends no action.

Item 5. Mr. A. Stanton Bubbins moved that the Town take no action under Article 73—Item 5.

Mr. Paul Bittinger moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appropriate the sum of \$1,908 to buy and equip a rescue boat for the Fire Department, but the motion, taken by a count of hands, 55 in the affirmative and 69 in the negative, was lost.

The original motion was put before the Meeting and voted:

6. \$ 2,400 to purchase and equip a station wagon for the Health Department and dispose of 1951 sedan delivery truck

The Committee recommends an appropriation of \$2,400.

Item 6. Voted: That the Town raise and appropriate \$2,400 to purchase and equip a station wagon for the Health Department and dispose of 1951 sedan delivery truck, said appropriation to be expended under the direction of the Commission of Public Safety.

7. \$ 2,400 to purchase and equip one Police Cruiser Ambulance and dispose of 1956 Plymouth Cruiser Ambulance

The Committee recommends an appropriation of \$2,200 to purchase one cruiser ambulance and to change over equipment.

Item 7. Voted: That the Town raise and appropriate \$2,200 to purchase and change over equipment to one Police Cruiser Ambulance and dispose of 1956 Plymouth Cruiser Ambulance, said appropriation to be expended under the direction of the Commission of Public Safety.

Article 74. To see if the Town will vote to amend the Building Code and insert under Section 6, Item (e) the following "Doorways and mercantile buildings opening on to a street or to a court or open space communicating with a street, and serving as a required exit way, shall have doors, including the doors of both permanent and temporary vestibules so hung as to swing open in the direction of exit travel."

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 74.

Mr. Paul Bittinger moved that the Town amend the Building Code and insert under Section 6, Item (e) the following, "Doorways of stores and mercantile buildings opening on to a street or to a court or open space communicating with a street, and serving as a required exit way, shall have doors, including the doors of both permanent and temporary vestibules so hung as to swing open in the direction of exit travel," and it was so voted.

Article 75. To see if the Town will vote to instruct the Commission of Public Safety to appoint a full-time Wire Inspector in accordance with the provision of Section 32, Chapter 166 of the General Laws as amended and make an appropriation for salary and expenses.

The Committee recommends no action. Although the statute requires a town to provide by vote or by-law for a wire inspector, a clearer definition of the duties, fees, etc. should be available when action by the town is taken.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 75.

Mr. Paul Bittinger moved that the Town instruct the Commission of Public Safety to appoint a Wire Inspector in accordance with the provision of Section 32, Chapter 166 of the General Laws, as amended, and make an appropriation of \$2,000 for salary and expenses, but the motion to amend was lost.

The original motion was put before the Meeting and voted.

Article 76. To see if the Town will vote to accept Chapter 40, Section 6B of the General Laws "A city or town which accepts this section may appropriate money for the purchase

of uniforms for members of its Fire Department" and establish a fund of \$850 to be used for the annual replenishing of uniforms for firefighters; said fund to be under the direct supervision of the Commission of Public Safety.

Chapter 40 Section B of the General Laws was accepted by the town in 1955 and reads as follows: "A city or town which accepts or has accepted this section may appropriate money for the purchase of uniforms for members of its police and fire departments which may include the purchase of rubber boots and other outer clothing necessary for the use of members of a fire department when traveling to or from or during the course of their employment."

Previous to 1958, the town has voted funds only for the police department. The Committee this year recommends an appropriation of \$850 for the replenishing of uniforms for firefighters.

Voted: That the Town vote to raise and appropriate \$850 for the replenishing of uniforms for firefighters, said appropriation to be expended under the direction of the Commission of Public Safety.

Article 77. To see if the Town will accept Section 57A of Chapter 48 of the General Laws, an Act providing firefighters in certain cities and towns an additional day's pay or day off when they are required to work on certain legal holidays and appropriate the amount of \$1,880 therefor. (By Petition)

The Committee recommends no action.

Voted: That the Town take no action under Article 77.

Article 78. To see if the Town will vote to purchase for \$500 for the purpose of erecting a suitable fire station and/or a police station thereon, a parcel of land in Precinct 5 containing 42,000 square feet owned by the Roman Catholic Archbishop of Boston as shown on plan by Delano & Keith dated September 15, 1950. (By Petition)

The Committee recommends an appropriation of \$500.

The Planning Board has approved as to location only.

Voted (Unanimously): That the Town raise and appropriate \$500 to purchase from the Roman Catholic Archbishop of Boston a parcel of land, located in the Manomet section of Plymouth, containing approximately 42,000 square feet, to

be used for the location of a fire and/or police station, said parcel being bounded as follows:

Easterly by the State Highway, Route 3A, 150 feet, northerly by land of the Roman Catholic Archbishop of Boston 280 feet, westerly by land of the Roman Catholic Archbishop of Boston 150 feet, southerly by a 30-foot strip of land recently conveyed by the Roman Catholic Archbishop of Boston to Anthony O. DiStaula et ux, 280 feet,

the deed thereto to be subject to the condition that, if the Town does not build on said land by April 1, 1963, it will reconvey said premises to the grantor for the sum of \$500.

Article 79. To see if the Town will vote to raise and appropriate or by use of available funds or borrowing under Chapter 44 of the General Laws, the sum of \$30,000 for the purpose of constructing a fire station in Precinct 5 on the site made available and approved for such purpose, said building to be constructed in accordance with the plans submitted which have been drawn up for this specific location, taking into consideration the present and future needs for fire protection in Precinct 5. (By Petition)

The Committee recommends no action this year.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 79.

Mr. Ronald McIntosh moved to amend Mr. Bubbins' motion by the following: That the Town vote to raise and appropriate the sum of \$30,000 for the purpose of constructing a fire station on the site described in Article 78, substantially in accordance with the plans submitted by the Manomet Committee of which R. W. McIntosh is the Chairman. Said funds to be expended under the direction of a committee of three to be appointed by the Moderator, of which at least one member of said committee to be a registered voter of Manomet, and it was so voted.

Article 80. To see if the Town will authorize the Water Commissioners to lay a water main of not less than 6" in diameter on Rodman Lane at Pleasant Acres, Plymouth, and to raise and appropriate the sum of \$4,480 therefor and to meet said appropriation, the sum of \$2,440 be appropriated from the tax levy of the current year and \$2,040 from money

in the Town Treasury received from the owner of the development representing \$3.00 per linear foot of main to be laid in said development.

The Committee recommends an appropriation of \$4,480, provided \$2,040 of this appropriation is deposited with the Town Treasurer by the owner before town meeting.

Voted: That the Town authorize the Water Commissioners to lay a water main of not less than 6" in diameter on Rodman Lane at Pleasant Acres, Plymouth, and to raise and appropriate the sum of \$4,480 therefor and to meet said appropriation, the sum of \$2,440 be appropriated from the tax levy of the current year and \$2,040 from money in the Town Treasury received from the owner of the development representing \$3.00 per linear foot of main to be laid in said development.

Article 81. To see if the Town will authorize the Water Commissioners to purchase a ½ ton pickup truck and make an appropriation of \$1,900 therefor.

The Committee recommends an appropriation of \$1,900.

Voted: That the Town authorize the Water Commissioners to purchase a ½ ton pickup truck and make an appropriation of \$1,900 therefor.

Article 82. To see if the Town will authorize the Water Commissioners to lay a water main of not less than 6" in diameter to provide fire protection for the Cold Spring School and make an appropriation of \$3,200 therefor.

The Committee recommends no action.

Voted: That the Town take no action under Article 82.

Article 83. To see if the Town will authorize the Water Commissioners to relay water mains of not less than 6" in diameter in South Street and Obery Street and make an appropriation of \$25,000 therefor.

The Committee recommends an appropriation of \$25,000.

Voted: That the Town authorize the Water Commissioners to relay water mains of not less than 6" in diameter in South Street and Obery Street and make an appropriation of \$25,000 therefor.

Article 84. To see if the Town will vote to raise and appropriate or by use of available funds or borrowing under Chapter 44 of the General Laws, the necessary money to extend the existing 10" water main from its present terminus at Cape Cod Avenue on Route 3, Manomet, connecting thereto with 12" main and extending said 12" main southerly for a distance of 7,300 feet and to construct on Indian Hill a storage tank of one million gallons capacity together with necessary additional storage facilities at the present Harlow tank location in Manomet. (By Petition)

The Committee recommends no action.

Voted: That the Town take no action under Article 84.

Article 85. To see if the Town will accept the report of the Committee appointed to study the necessity of accommodations for the Commission of Public Safety and to continue said committee and appropriate the sum of \$1,000 for the expenses of said committee.

The Committee recommends favorable action and an appropriation of \$1,000, said appropriation to include the cost of preliminary plans for a police station only.

Voted: That the Town accept the report of the Committee appointed in 1957 to study the necessity of accommodations for the Commission of Public Safety and to continue said Committee to report at the next Annual Town Meeting with adequate preliminary plans for police station only, as well as estimates, definite site location with costs of same, and estimated overall cost of changing over cable system, and to raise and appropriate \$1,000 for expenses of said Committee. The Committee to prepare and submit for insertion in the warrant for the next Annual Town Meeting any necessary articles for action by the Town.

Mr. Howard Barnes moved that the Moderator be authorized to appoint two additional members to this original study committee and it was so voted.

Article 86. To see if the Town will vote to raise and appropriate the sum of \$600 for the purchase of pump, suction hose, nozzle and tank for fire protection at Saquish; said appropriation to be spent under the direction of the Forest Warden.

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 86.

Mr. James Frazier moved to amend the motion of Mr. Bubbins by the following: That the Town raise and appropriate the sum of \$600 for the purchase of pump, suction hose, nozzle and tank for fire protection at Saquish, taken by a count of hands, 49 in the affirmative, 63 in the negative, the amendment was lost.

The original motion was put before the Meeting and carried.

Article 87. To see if the Town will vote that the Town Clerk annually include in his report and in the Town Report the births, marriages and deaths recorded in Plymouth.

The Committee recommends favorable action, the 1958 town report to include the 1954, 1955, 1956 and 1957 records omitted from the town reports of those years.

Voted: That the Town instruct the Town Clerk to list in the 1958 Town Report and in all future Town Reports the births, marriages and deaths recorded in Plymouth in the same form as listed prior to 1954, the 1958 Report to include the 1954, 1955, 1956 and 1957 records omitted from the Town Reports of those years.

Article 88. To see if the Town will vote to acquire by purchase for municipal purposes, all or any portion of eight parcels of property located at 19 Summer, 21 Summer, 27 Summer, 29 Summer, 33 Summer, 37 Summer, 17 High and 19 High Streets, these being lots with buildings thereon, Nos. 90, 91, 92, 95, 96, 99, 76, 77 on Plat 19 of Assessors' Plans; and make an appropriation to cover the cost, acquiring titles, demolition and grading.

The Committee recommends favorable action and an appropriation of \$32,295, as recommended by the Planning Board.

Voted: That the Town acquire by purchase for municipal purposes seven parcels of property located on Summer and High Streets and shown as lots 76, 77, 90, 91, 95, 96 and 99 of Plat 19 of the Assessors' Plans, and to raise and appropriate the sum of \$32,295 for the purchase thereof and for the expenses of acquiring titles and demolition of buildings, including clearing the rough grading, said appropriation to be expended under the direction of the Planning Board.

Article 89. To see if the Town will vote to accept as a gift from the Pilgrim Society, two parcels of land, being Lots 20B and 82 of Plat 19 of Assessors' Maps and containing 7,895 and 4,330 square feet, respectively; the same to be held by the Town of Plymouth in perpetuity for the purpose of improving Burial Hill and its approaches and surroundings; and to raise and appropriate the sum of \$100 for expense of acquiring titles; to be expended under the direction of the Planning Board.

The Committee recommends favorable action and an appropriation of \$100 for expense of acquiring titles, as recommended by the Planning Board.

Voted (Unanimously): That the Town accept as a gift from the Pilgrim Society, two parcels of land, being Lots 20B and 82 of Plat 19 of the Assessors' Maps and containing 7,895 and 4,330 square feet, respectively; the same to be held by the Town of Plymouth in perpetuity and for the purpose of improving Burial Hill and its approaches and surroundings; and to raise and appropriate \$100 for expense of acquiring titles; said appropriation to be expended under the direction of the Planning Board.

Article 90. To see if the Town will amend the Zoning By-laws to revise the provisions of Article IV regarding uses which may be permitted by the Board of Appeals; and changing article VIII to clarify the status of trailers used as dwelling units.

In accordance with the recommendations of the Planning Board, the Committee recommends:

1. Amending Article IV (e) 4 of the Zoning By-Law by inserting after the words "funeral home" the words "professional offices."
2. The deletion in its entirety of Article VIII, and the substitution of the following:

"A trailer used as a dwelling may not be parked on private property, other than a trailer park, unless

- (1) the Commission of Public Safety has issued a permit therefor;
- (2) the trailer is so parked as to meet the set-back requirements of this By-Law, and is at least ten feet distant from any building; and
- (3) for a stay in excess of 30 days, the Board of Appeals has granted approval after a public hearing; and then subject to such conditions as the Board of Appeals may require."

Voted (Unanimously): That the Town (a) amend Article IV (e) of the Zoning By-Laws by inserting after the words "Funeral home" the words "professional offices," so as to read: 4. Hospital, sanatorium, convalescent home, funeral home, professional offices; and philanthropic use.

(b) amend Article VIII of the Zoning By-Laws by striking out Article VIII and inserting in place thereof the following:

"Article VIII. A trailer used as a dwelling may not be parked on private property, other than a trailer park, unless

- (1) the Commission of Public Safety has issued a permit therefor:
- (2) the trailer is so parked as to meet the set-back requirements of this By-Law, and is at least ten feet distant from any building: and
- (3) for a stay in excess of 30 days, the Board of Appeals has granted approval after a public hearing; and then subject to such conditions as the Board of Appeals may require."

Mr. Thomas Quinn moved to amend Mr. Bubbins' motion by adding thereto the following: "and by inserting in Article IV (e) 1—the words 'automobile parking lot,' following the words 'aviation field,'" but the motion to amend was lost.

Article 91. To see if the Town will vote to amend the Zoning By-law and Zoning Map by changing from a residential district to a commercial district that area or portion thereof lying on the northerly side of Manomet Point Road, Manomet, and being shown on the Assessors' Plans as Lot 15 on Plat 46 so as to extend the present commercial zone to include this lot. (By Petition)

The Committee recommends no action.

The Planning Board has not approved this amendment.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 91.

Mr. R. M. Winokur moved to amend Mr. Bubbins' motion by the following: That the Town amend its Zoning By-Law

and map by changing from a residential district to a commercial district that lot of land shown on the Assessors' Plans as Lot 15 on Plat 46, located on Manomet Point Road, Manomet, but the amendment was lost.

The original motion was put before the Meeting and voted.

Article 92. To see if the Town will vote to amend the Zoning Map dated February 1, 1951 changing from a Residence District to a Commercial District an area beginning at the southeast corner of Sandwich and Bradford Streets and known specifically as Lots 145, 146, 147, 165A and Lot 148 of Plat 20 of the Town of Plymouth Assessors' records. (By Petition)

The Committee recommends favorable action.

The Planning Board has approved this amendment.

Voted (Unanimously): That the Town amend the Town of Plymouth Zoning Map dated February 1, 1951, changing from a Residence District to a Commercial District an area on Sandwich Street and Bradford Street specifically Lots 145, 146, 147, 165A and 148 of Plat 20 of the Assessors' Plans.

Article 93. To see what action the Town will take with regard to rezoning that land owned by Verna E. Taylor on State Road, Manomet, known as Lot 39-690, Plat 50 of the Assessors' Plans of the Town of Plymouth and containing 20,485 square feet, from residential to commercial. (By Petition)

The Committee recommends no action.

The Planning Board has disapproved since this constitutes spot zoning.

Voted: That the Town take no action under Article 93.

Article 94. To see if the Town will vote to sell to William A. Trainer for \$150, the small irregularly shaped parcel of land comprising about 750 square feet on Taylor Avenue, White Horse Beach, abutting the land of the said Trainer on two sides and known as Lot #86A on Plat 45C of the Assessors' Plans. (By Petition)

The Committee recommends favorable action.

The Planning Board has approved the conveyance of this land.

Voted (Unanimously): That the Town authorize the Selectmen to convey to William A. Trainer for \$150, a small irregularly shaped parcel of land, located on Taylor Avenue in the White Horse Beach section of Plymouth and abutting other land of the said Trainer on two sides, comprising approximately 750 square feet and shown as lot 86A of Plat 45C of the Assessors' Plans.

Article 95. To see if the Town will vote to raise and appropriate the sum of \$100 for the purpose of constructing a right of way to Fresh Pond over town-owned property for a fisherman's landing; said appropriation to be spent under the jurisdiction of the Park Department.

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 95.

Mr. Donald Tracy moved to amend Mr. Bubbins' motion by the following: That the sum of \$100 be appropriated for the purpose of constructing a right of way to Fresh Pond over town-owned property for a fishermen's landing; said appropriation to be spent under the jurisdiction of the Park Department, and it was so voted.

Article 96. To see if the Town will vote to acquire a right of way over town-owned land and land of others to Cook's Pond for a fisherman's landing and make an appropriation therefor.

The Committee recommends no action.

Since there is no layout of a way over the privately owned land, the Planning Board makes no recommendation.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 96.

Mr. Donald Tracy moved to amend Mr. Bubbins' motion by the following: That the sum of \$300 be appropriated for the purpose of constructing a right of way over town-owned property for a fishermen's landing to Cook's Pond, and it was so voted.

Article 97. To see if the Town will authorize the collection of fees at certain periods for the all day parking of vehicles in the parking lot of the Memorial Building and will make an appropriation therefor. (By Petition)

The Committee recommends no action.

Mr. A. Stanton Bubbins moved that the Town take no action under Article 97.

Mr. Howard Barnes moved to amend Mr. Bubbins' motion by the following: That the Selectmen be authorized to collect fees for the all-day parking of vehicles in the parking lot of the Memorial Building, same to be enforced each year on certain week-end and holiday periods, from June to September, inclusive. The gross fees shall be paid into the Town Treasury as a separate account. No fees shall be charged for resident owned vehicles. To defray the 1958 costs of printing tickets, signs, etc. and the costs of collecting fees, there shall be appropriated the sum of \$1,000, and it was so voted.

Article 98. That no further licenses be granted to sell intoxicating liquor on Water Street within one mile of Plymouth Rock or anywhere within said distance on any street leading off from Water Street, or on property owned by the Town of Plymouth; nor shall any renewal of license be granted in these areas. (By Petition)

This is not a subject that the Finance Committee is allowed to consider.

Voted: That the Town take no action under Article 98.

On motion of Mr. Carlo Guidoboni, March 26th, 1958, moved to adjourn.

Total Appropriations		\$3,002,825.61
Less: Art. 10 Reserve Overlay	\$15,000.00	
17 Parking Meter Receipts	1,050.00	
27 Manomet Bluffs	2,000.00	
28 Ellisville (Black Pond)	625.00

80 Pleasant Acres	2,040.00	
	\$22,715.00	\$2,980,110.61
Less: Art. 11, 12, 24 & 69		
Excess & Deficiency	\$205,950.00	\$2,774,160.61

Special Town Meeting, December 11, 1958

The Meeting was called to order by the Moderator, Amedeo V. Sgarzi, at 7:40 p.m.

The number of Town Meeting Members present December 11, 1958, as reported by records of Arsene Strassel and Kathryn Swift, checkers, was 123.

The Moderator declared a quorum present.

Article One:

Voted: By a voice vote that, whereas there exists in the Town of Plymouth sub-standard or decadent areas and unsanitary and unsafe inhabited dwellings; That, whereas it is hereby determined that a Redevelopment Authority is needed for:

(a) the purpose of clearance of sub-standard or decadent areas and

(b) engaging in an urban renewal land assembly and redevelopment project; Now, therefore, it is hereby voted: that the Plymouth Redevelopment Authority shall be organized and established under the provisions of Massachusetts General Laws (Ter. Ed.), Chapter 121, Section 26QQ and acts in amendment thereof and in addition thereto.

Article Two:

Voted: That the Town appropriate from available funds the sum of \$10,000 to defray initial costs and administrative expenses, including preparation of plans, surveys and other expenses for urban development as provided by Chapter 199 of the Acts of 1958, said appropriation to be expended under the direction of a Redevelopment Authority.

Meeting adjourned at 9:00 p.m. o'clock.

HERBERT K. BARTLETT, Town Clerk,
Plymouth, Mass.

Report of State Audit

February 26, 1959

To the Board of Selectmen

Mr. James T. Frazier, Chairman

Plymouth, Massachusetts

Gentlemen:

I submit herewith my reports of an audit of the books and accounts of the Town of Plymouth for the period from October 28, 1956, to November 12, 1958, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE,

Director of Accounts.

Mr. Herman B. Dine

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir:

As directed by you, I have made an audit of the books and accounts of the Town of Plymouth for the period from October 28, 1956, the date of the previous audit, to November 12, 1958, the following report being submitted thereon:

The records of financial transactions as recorded on the books of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined and checked with the books and reports in the town accountant's office and with the records of the town treasurer.

The town accountant's ledger accounts were analyzed, the receipts being checked with the treasurer's books and the payments being compared with the warrants author-

izing them and with the treasurer's records of payments. The appropriation accounts and loan authorizations were checked with the town clerk's records of town meeting proceedings, and the recorded transfers from the reserve fund were verified by comparison with the records of the finance committee. A trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on November 12, 1958.

The surety bonds of the officials required to file them for the faithful performance of their duties were examined and found to be in proper form.

The books and accounts of the town treasurer were examined and checked. The receipts, as recorded, were analyzed and checked with the records of the several departments collecting money for the town and with other sources from which money was paid into the treasury, while the payments were compared with the selectmen's warrants authorizing the treasurer to disburse town funds.

The cash book footings were verified, and the cash balance on November 12, 1958, was proved by actual count of the cash in the office and by reconciliation of the bank balances with statements received from the banks of deposit.

The payments made for maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities on file. The outstanding coupons on November 12, 1958, were listed and reconciled with the balance in the bond and coupon account as shown by a statement furnished by the bank of deposit.

The savings bank books and securities representing the investment of the trust, investment, and retirement funds, in the custody of the town treasurer and the trustees, were examined and listed. The income was proved, the transfers to the town were checked with the treasurer's recorded receipts, the disbursements were

verified, and the cash balances were proved by reconciliation of the bank balances with statements furnished by the depositories.

The records of tax titles and tax possessions held by the town were examined and checked in detail. The amounts transferred to the tax title account were compared with the tax collector's books, the recorded redemptions of tax titles were checked with the treasurer's cash receipts, the foreclosures were proved, and the tax titles and tax possessions on hand were listed and checked with the town accountant's ledger. The tax titles and tax possessions were further verified by comparison with the records at the Registry of Deeds.

The records of employee's payroll deductions on account of Federal taxes, teachers' retirement system, and group insurance were examined and checked, the payments to the proper agencies being verified.

The records of receipts for parking meter fees were examined, the recorded collections being added and checked with the treasurer's recorded receipts.

The books and accounts of the tax collector were examined and checked in detail. The taxes and excise outstanding at the time of the previous examination, as well as all subsequent commitment lists, were audited and proved with the assessors' warrants issued for their collection. The recorded payments to the treasurer were verified, the recorded abatements were checked with the assessors' records, and the outstanding accounts were listed and reconciled with the controlling ledger accounts.

The records of departmental and water accounts receivable were examined and checked. The commitments were proved, the payments to the treasurer were compared with the treasurer's cash book, the abatements were checked with the records of the departments authorized to grant such credits, and the outstanding accounts were listed and proved.

Verification of the outstanding tax, excise, departmental, and water accounts was obtained by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the accounts, as listed, are correct.

The financial records of the town clerk were examined and checked in detail. The recorded receipts on account of licenses, permits, recording fees, and miscellaneous charges were examined and checked, while the payments to the treasurer were verified by comparison with the treasurer's recorded receipts.

The records of dog licenses issued on behalf of the county and of sporting licenses issued for the State were examined and checked with the duplicates and stubs on file, and the payments to the State and the town treasurer were verified.

The records of receipts of the board of selectmen and the sealer of weights and measures, as well as of the police, health, school and cemetery departments, and of all other departments collecting money for the town or committing bills for collection, were examined and checked. The recorded collections were compared with the treasurer's recorded receipts, and the cash on hand in the several departments was proved by actual count.

In addition to the balance sheet, there are appended to this report tables showing reconciliations of the several cash accounts, summaries of the tax, excise, tax title, tax possession, departmental, and water accounts, as well as schedules showing the transactions and condition of the trust, investment, and retirement funds.

For the cooperation extended by the several town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,
Assistant Director of Accounts.

Town of Plymouth
BALANCE SHEET—November 12, 1958

ANNUAL REPORT
OF THE
Town Accountant
OF THE
Town of Plymouth

FOR THE YEAR ENDING
DECEMBER 31

1958

FORTY-SEVENTH ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the Year Ending December 31, 1958

To the Board of Selectmen

Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1958.

The cash balance at the close of the year was \$938,329.52, of which only \$15,848.01 is non-revenue cash, representing unexpended bond issue balances. This is the largest closing cash balance in the history of the Town, 28½% higher than last year.

The Excess and Deficiency Account of \$746,149.20 is an increase of 28% over last year, with Free Cash (Excess and Deficiency less unpaid taxes outstanding at the end of the year) increasing 38% to \$572,160.03. The largest single factor in the increase is the increased income and corporation tax return from the Commonwealth. Other noticeable factors are increased reimbursements from the Commonwealth in the welfare categories, increased motor vehicle excise revenue and water revenue and the return to E. & D. of the appropriation of \$28,900 for a new school site and the appropriation of \$10,138.50 penalty in the school court case.

The following unpaid bills were reported to this office:

1957—Fire Dept.—Samoset Garage, Inc.	\$8.30
Forest Fire Dept.—Innocense P. Silva	26.00
1958—Police Dept.—Gamewell Co.	17.45
Dog Officer—Louis J. Cappella	38.00
Harbor Master—Plymouth Marine Railways, Inc.	20.00
Public Sanitaries—South Centre Market	.91
Elec. & Reg. — Manomet Evening Guild	25.00

The Forest Fire Emergency Overdraft, occasioned by the 1957 forest fire, totalled \$83,166.89. 10% of this amount was appropriated by the Town in 1958, with 90% used as Estimated Receipts, representing anticipated reimbursement by the Commonwealth. To date, the Commonwealth has reimbursed \$78,335.45 or over 94%.

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Departmental and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1958 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1958.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1958.

Schedules G. & H. Bonded Indebtedness, January 1, 1959.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1958.

Schedule J. Calculation of the Town's borrowing capacity on January 1, 1959.

Respectfully submitted,

CORA B. GRADY,
Town Accountant.

SCHEDULE A

Annual Report of School Committee and Superintendent of Schools

A topic of great concern to American people is the improvement of the public school system. While this concern has always been felt, it is keener today because of the pressures of present day living.

Many people are calling for a higher quality of work in our schools, and some individuals seem willing to sacrifice the American concept of "education for all American youth" in their desire that there should be an educational elite. Others believe we should have quality work and that we should constantly seek ways and means to challenge pupils from grades one to twelve to achieve it, but they are unwilling to forsake the concept of education for all youth which has made American education distinctive. Those who belong to the latter group justify their stand on the belief that all individuals have worth and that our society cannot waste even the humblest or the greatest potential bit of productive energy. How can we in Plymouth attack this problem?

We can give serious consideration to finding ways on all levels to provide pupils who are willing to work hard with the opportunity to progress faster in the quality and quantity of work done. If all concerned strove to develop ways of achieving this it could well be possible for some pupils to reach the secondary school with a level of achievement that would enable them to take courses far in advance of those ordinarily given. A very few high school pupils might well graduate under such a program with sufficient academic standing to be accepted on the sophomore college level. Some school systems are already operating on this basis.

When a school system attempts to work out a plan

for meeting individual differences, it is imperative to have trained guidance personnel who can work effectively with pupils all the way through a child's school career. Your superintendent believes we should give serious thought to developing a more comprehensive guidance department.

Staff Turnover

Some years school departments in all towns have to face heavier than usual staff turnovers. No town escapes this situation indefinitely and Plymouth's turn came in 1958. Your superintendent would like to call the attention of the committee to a condition that may well influence teacher turnover in the years ahead.

Our present staff includes forty-nine teachers whose ages are fifty-five or over and we can expect most of them to retire in the next ten years. These older teachers have given stability to Plymouth schools over the years and we can expect to feel their loss keenly when they retire. Securing replacements of comparable quality will be difficult because of the intense competition for capable teachers. At present we have little salary advantage over other towns to use in attracting experienced teachers.

Last June Miss Ellen Downey retired after completing thirty-six years as a teacher in the Junior and Senior High Schools. Miss Downey was a dedicated teacher who contributed much to Plymouth High School. Her retirement is a real loss.

Changes in Administrative Staff

Mr. Edgar J. Mongan, Principal of the High School, retired in June, having served Plymouth High School for thirty-six years. During those years many young people came to respect what he stood for. He was a cultured gentleman, living according to a code of high principles and standing in so many ways for what he believed. He wanted all boys and girls to catch a vision of good

living and strove to help them do so. He was deeply and sincerely sensitive to the feelings of young people. He was patient and forgiving to a fault. He disliked giving up on any pupil but he could be severe when other ways failed. He was extremely fond of his own family and regarded his school as an extension of his own home. The pupils were his own and he complimented them or "dressed them down" in the same manner he did his own children.

No one can give so many years of his life to teaching without having a great impact on the lives of his pupils. Pupils recognized Mr. Mongan's influence was all for good and showed their appreciation by truly loving him.

In accordance with a policy of promotion within the system when possible, Mr. Lawrence Bongiovanni was appointed to succeed Mr. Mongan.

Mr. Donald Welch, who had served Plymouth as elementary principal and superintendent for ten years, resigned September 1. During Mr. Welch's administration many improvements in the school plant were effected. Two new buildings were constructed, improvements were made in curriculum, and many excellent administrative procedures inaugurated.

The choice of a new superintendent of schools was shared by the school committee with a six-member citizens committee. After many interviews with candidates and much deliberation, the two committees agreed unanimously to elect Mr. Chester V. Sweatt of Martha's Vineyard to serve as superintendent of schools. Mr. Sweatt began his duties on September 15, 1958.

Resignations were received from Dr. Walter Snyder, Administrative Assistant, Miss Janet Broadbent, Elementary Reading Consultant, and Miss Etta-Hix Allen, Principal of Hedge School. None of these positions were filled as of December 31, 1958.

New High School

For several years the school reports have stressed the need for a new high school. At the 1958 town meeting a building committee was appointed to plan for a new three year high school.

I understand that it is believed the construction of a new high school will make possible the abandonment of the Cornish-Burton Schools. If the present enrollment continues it will be practically impossible to make this move without a four year high school. The total enrollment of grades 5, 6, 7, 8, and 9 for the next several years will be well over 1100 pupils. The present Junior-Senior High School is certified for 1064 pupils. It is doubtful if the Department of Public Safety will allow us to crowd the building again once the high school is moved. It would seem that the only way left is to consider a four year intermediate school, housing grades 5, 6, 7 and 8, and a four year high school.

Should we follow this plan, the first four grades could be housed in the present elementary buildings and there would be a minimum of space left for future growth in enrollment.

School Plant Improvements

During 1958 the following improvements were made in the school buildings.

Junior-Senior High School:

Fluorescent lighting was installed in several Junior-Senior High classrooms.

Thermostatic elements in the steam traps were replaced in both buildings.

The front of the High School, the cupola, and the west doorway were painted.

A new electric service cable from the High School to the Junior High was installed.

The fresh air vent covers on the roof were replaced.

The auditorium curtain was flame proofed.

Mount Pleasant:

The chimneys were reflashed.

An incinerator was installed.

Manomet:

The glass blocks in the auditorium walls were re-caulked and one wall painted.

A sump pump was installed in the boiler room.

Light proof drapes were installed in the auditorium.

Cornish-Burton:

The east exit door was replaced.

The front entrance platform to Burton School was replaced.

Oak Street:

The front entrance platform was replaced.

Cold Spring:

The exterior trim was painted.

The southeast brick wall was waterproofed.

Hedge:

Floor tile was installed in two rooms.

Toilet rooms were renovated and painted.

Heating controls were installed in two corridors.

In-Service Training and Curriculum

Several teachers are continuing their efforts to earn higher degrees by taking courses at universities and teachers' colleges.

Two Harvard-Boston University Extension courses were held in Plymouth. These were "Language Arts in the Elementary School" under Dr. Alice Crossley, and "The Gifted Child" under Dr. Gene Philips.

Miss Lucas of the Plymouth Public Library assisted the staff in a series of meetings devoted to finding ways and methods for developing wider interest in outside of school reading.

A science workshop was held through the courtesy of a consultant from D. C. Heath Company.

A book fair was held at Hedge School through the assistance of the Parent-Teacher Association. Book exhibits by the Owens Company and Fearon Books were held at Cold Spring and Cornish Schools.

After a careful evaluation of many different texts by the staff a new series of science textbooks was recommended and purchased for all elementary grade levels.

Television sets were purchased for the elementary and Junior High schools, thus enabling Plymouth pupils to participate in the television programs sponsored by the Department of Education.

Additional teacher time was given to physical education and High School English. These two new teachers have helped correct the overloading in these departments.

A course in first year algebra was instituted for tenth grade pupils.

Adult Education

Evening classes for adults continued to receive enthusiastic support. Two hundred fifty-four individuals were enrolled. Classes were held in cake decorating, sewing, furniture refinishing, jewelry making, typing, shorthand and business English.

Summer School

One hundred four pupils attended the 1958 summer school classes. Classes were held in spelling, arithmetic, language, and reading for grades 4, 5, and 6. Classes in mathematics and English were held for grades 7 and 8.

Mention should be made of new benevolences given to the schools during the year. A plot of land adjacent to the Manomet School was given to the town by Miss Mary E. Bacon, Mrs. Arthur L. Freeland, Mrs. Henry Parmenter and Mrs. Harold O. Woolley.

A scholarship of \$250 was given by Dr. Hyman Duby.

Appreciation is extended to the many organizations and individuals who, through their annual gifts and services, have assisted in the education of Plymouth children.

In conclusion, the school committee extends its appreciation to all department personnel for their cooperation during the period last fall when the department operated without a superintendent. The superintendent also thanks the entire school personnel who in so many ways have helped to make his transition to a new position pleasant.

Respectfully submitted,

RALPH C. WEAVER, *Chairman*,
MAURO J. CANEVAZZI, *Secretary*,

JOSEPH S. CONTENTE,
HARRY F. DOYLE,
JANE GELLAR,

Plymouth School Committee.

CHESTER V. SWEATT,
Superintendent of Schools.

Annual Report of the Principal of the High School

Changes have been effected in the high school since closing day in June of 1958. Those I wish to call attention to at this time are:

1. Algebra I has been added to the courses offered, giving students who cannot cope with the subject in the 9th grade the opportunity to study it again another year. I should emphasize that this course is not only for the college preparatory student but also for those who need the knowledge to aspire to technical training.
2. Advanced Biology — A course designed for the student who has shown exceptional interest and aptitude in the field of biology. Open to a limited number of students, approval of the instructor is necessary.
3. World Literature — Added to our offerings. Intended to enlarge the student's horizon by reading significant literature by writers of prominent countries of western civilization. It is for seniors. Approval of the instructor is necessary.
4. As a result of the action taken by the School Committee the central library of the school now boasts 140 new volumes. This is an admirable beginning. Further acquisitions during the next few years should bring the school library to a point where it may be truly regarded as an integral part of the educational program.

At present desk space in our classrooms will accommodate 510 pupils; our present enrollment is 483. The figures presently available forecast an enrollment in September of 573. This number can be accommodated. I should explain, however, that the accommodations we

offer will be far from desirable since we will have to resort to the expediency of dividing our study hall into two classrooms and use our cafeteria and auditorium as study halls. This, of course, will have two adverse effects:

- 1 — the library books stored in room 303 will not be readily available when and where they are needed most;
- 2 — the use of the auditorium for the purposes originally intended will have to be curtailed to a minimum.

It is also apparent that our cafeteria cannot accommodate all of our students since maximum capacity is in the vicinity of 420. We will alleviate this situation by having two recesses for the school. This means, of course, that the cafeteria will not be available for study purposes during the three sittings for the junior high and the two sittings for the senior high. This will result in further inroads being made in the possible use of the auditorium.

I would like to make the following recommendations to become effective in September. The implementing of these recommendations does not require the addition of personnel to the staff.

1. Personal typing has been in demand by college preparatory students for a long time. With the advent of the 7 period day, it is possible to provide for it. This should carry no credit toward graduation.
2. Driver Training — now a semester course carrying $2\frac{1}{2}$ credits toward graduation should be retained, but as a personal service course, with no credit toward graduation.
3. Mechanical Drawing. This is a realistic approach to the needs of many of our students who should have some basic knowledge when they go on to technical schools. We propose to institute such a

course not only for the students mentioned above but also for the select group of college preparatory students who can use the knowledge gained when confronted with the basic requirements of certain courses at college.

4. The courses in Basic Mechanics and Auto Mechanics were added to the curriculum in 1943 when the army and navy, faced by the necessity of getting men into combat as quickly as possible, turned to the schools and asked if part of the training job could be handled by them. These courses served a good purpose. Their present value is questionable if available space and tools are considered. We therefore wish to replace these two courses with the following:
 1. Physical Science — grounding in fundamental laws and systems for students intending college or preparation for more advanced scientific work. Open to seniors and juniors who are not primarily interested in College Chemistry or Physics. Permission of instructor required.
 2. Applied Science — a course which is intended to cover the basic information which is contained in the courses in Basic and Auto Mechanics. Open to juniors and seniors.
5. Much consideration is being given everywhere today to the brighter student and the opportunities offered him. We propose to add to the opportunities already in existence. In September we will enroll in one of our Biology classes, as an experiment, a half dozen 9th grade students carefully selected on a basis of tested ability and proven performance. These will be the top students. At the end of the year, if the results obtained warrant, we will consider continuing the practice and perhaps expand it to include other areas of work. This

is not aimed at acceleration of students, rather it is intended to provide the best student with educational experiences for which he would normally have to wait a year.

I desire to mention the need for the addition of another foreign language to our curriculum. The ever-increasing importance of our neighboring countries to the south certainly has placed Spanish in the group of foreign languages in which we have a vital interest. This, of course, implies the addition of another teacher to the staff.

This is not the time to go into the many changes in curriculum offerings which must be made during the next few years if we are to provide the youth of the community with the education they must have. The nature of these changes, the facilities needed, and the additions to personnel made mandatory by them, will be discussed in subsequent reports.

That our educational product has been good is largely the result of the efforts of the teaching staff. These men and women have given of their best and the students who have come to us through the years have been the beneficiaries of that effort. As I have stated before, it is the opinion of the writer that Plymouth is fortunate in the calibre of its teachers. This school is also fortunate in the calibre of its students. For my part, I am humbly grateful for both.

In closing this annual report, I wish to mention the man who preceded me as principal of this school. To give expression to the feelings of the faculty and the student body on Mr. Mongan's resignation is not possible. He was a good teacher and a good administrator. Beyond that he was and is a gentleman in the finest sense of the term. We shall miss him.

Respectfully submitted,

LAWRENCE M. BONGIOVANNI

Annual Report of the Junior High School

January 1959

Enrollment

For several years these reports have emphasized the congestion in this school — the constantly increasing enrollment, the putting to classroom use rooms intended for other purposes, and the crowding of a maximum number of desks into smaller rooms.

Each year the problem becomes more acute. Next year there will be an enrollment increase of forty or more. The ninth grade will be small enough to divide into five sections instead of the usual six, but there will be two more eighth grades. At present there are 667 pupils while the estimate for September is 708. The school will be very crowded; the classes, large. It will be difficult to accommodate them.

In the fall of 1960, however, the problem will be so acute that provision should be made early to relieve the pressure. There will be four more classes than there are now. Emergency measures should be taken for housing them before a new school could possibly be built. A portable building to be used during the waiting period might suffice. It would be preferable, in my opinion, to double sessions.

January 1959

Grade 9	208	6
Grade 8	182	5
Grade 7	245	7
Special Class	32	2
	667	20 classes

September 1959		
Grade 9	182	5
Grade 8	245	7
Grade 7	245	7
Special Class	36	2
	708	21

September 1960		
Grade 9	245	7
Grade 8	245	7
Grade 7	262	8
Special Class	36	2
	788	24

Reading

The two seventh grade groups which were arranged so that special attention was given to reading last year were reduced to one group in grade eight. Only those who would profit by further special instruction were assigned to it. Because the work has proved so beneficial there are two divisions in this seventh grade again this year. The program is worthy of continuance.

Science

By reducing shop and household arts from four to three periods, general science in the seventh grade has been increased to three periods a week. The classroom used for it has been improved with the addition of a portable laboratory.

The Longer Day

The longer school day has resulted in the creation of a seventh period — an activity period — the last in the day. During this time the band and glee club rehearse; the art clubs, press club, editors and school paper staff meet; special work is done in the foods laboratory, clothing room, and shops. Students who have lost work be-

cause of absences or who need further help in understanding may confer with teachers at this time. Rehearsals for assemblies and physical education programs, correctives and intramurals are also in progress. The greatest problem is supervising the students who do not participate in any of these activities and who must stay in the home room. The greatest benefit is that pupils may participate in activities without loss of class work.

MARY M. DOLAN,
Principal.

Annual Report of the Elementary Schools

The reports of the elementary school principals, Mrs. Eleanor White, Mrs. Elouise Cashin, Mrs. Helen Manchester and Mr. Emmett Finck are summarized below.

Plymouth parents have been most generous during the past year with their assistance in helping the elementary schools to function effectively. Through their Parent-Teachers organizations they have served as chaperones on field trips, assisted in the pre-school clinics, served as librarians, welcomed parents of new pupils on the opening day of school, purchased books for school libraries, given pieces of equipment to their schools, provided transportation for pupils on field trips, and made themselves available to help when needed for any school activity.

In addition to intensive classwork many other activities have gone on during the past year. A few are listed below.

All sixth grades in all schools visited the Museum of Natural Science. The cooperation of the Plymouth Cordage Company and the various Parent-Teachers Associa-

tions in making this field trip possible is gratefully acknowledged.

Grades four and five and special classes visited the Mayflower and historical sites and museums in Plymouth.

Second grades visited the local radio station, fire station and post office.

One sixth grade participated in a library course made possible through the cooperation of Miss Lucas of the Plymouth Public Library.

Mrs. Avanzini's special class gave a demonstration of their science work for the teaching staff.

Instruction was given in the use of dial telephones in all schools prior to the operation of the dial system.

Several student teachers have done their practice teaching in our schools under the direction of certain teachers.

Home instruction was given in those cases where children were so physically handicapped that school attendance was impossible.

A demonstration and exhibit of the work in art, music, and physical education was held at Memorial Hall.

The Glee Clubs broadcast samples of their group work at Christmas time.

The interest in the PeeWee Band continues and greater interest is being shown in the stringed instrument classes.

Last September grades one, four, five and six in all schools participated in the revision program of the Metropolitan Achievement Tests conducted by the World Book Company. By sharing in this program we received considerable data without charge. The results reported thus

far indicate our scores to be above the average of other groups taking the tests.

The tests accompanying our reading textbooks have been given regularly. Last spring the Gates Reading Tests were given in grades one, three and six. The results were consistently good and most groups scored above the average for their grades.

The following recommendations are made:

1. Replace the Cornish-Burton School buildings.
2. Continue studies leading to revision of the elementary curriculum.
3. Make provisions for gifted children.
4. Provide lip reading for children with hearing difficulties.
5. Resume speech classes.
6. Start a motion picture film library.
7. Continue the development of school libraries.
8. Continue bringing old equipment up to date.

Oral Hygiene and Dental Clinic

January, 1958 — December, 1958

I herewith submit the annual report of the dental department for the year 1958.

It is felt by the School Dentists and the School Dental Hygienist that the need for reconditioning and replacing most of our equipment is quite urgent. This improvement would be very much appreciated by us and a benefit to the school children.

In the fall, 2,430 pupils were examined in grades one through twelve, by the School Dentists. These examinations take place at the various schools, and are given to determine whether reparative work is needed, also, as an incentive, to encourage the boys and girls to care for their teeth.

EXAMINATION REPORT

Elementary Schools

Pupils examined	1,310
Pupils with all needed corrections made	619

Junior High School

Pupils examined	640
Pupils with all needed corrections made	202

Senior High School

Pupils examined ..	480
Pupils with all needed corrections made	197

The above statistics reveal the necessity for more cooperation in relation to correction of dental defects. However, many pupils were found to be receiving dental care from their family dentist.

Again, Dr. Francis Ortolani hopes that the townspeople may see fit to legislate in favor of fluoridation of

town water, as an aid in reduction of dental decay in the teeth of the school children. This is in view of the fact that the United States Public Health, American Medical Association, and American Dental Society are so enthusiastic in their support of such a program.

Percentage of Dental Corrections

Pupils examined grades 1 - 6 in fall 1957	1,305
Pupils with all needed corrections made	638

Results of these Examinations as of June 1958

Mt. Pleasant School	73%
Cold Spring School	71%
Cornish-Burton Schools	65%
Hedge School	64%
Oak Street School	63%
Manomet School	53%

Pre-school Examinations By School Dentists

These examinations are given in May in conjunction with the medical examinations with the parents present.

Examinations	167
Children having a family dentist	108
Children referred to dentist	37
Children needing no treatment	71

ORAL HYGIENE

The School Dental Hygienist directs a program on dental health in the first six grades throughout the school year. The classroom talks are of instruction and follow-ups.

1. Cutting down on the consumption of sugar foods and drinks.
2. Regular visits to the dentist.
3. Proper method of toothbrushing.
4. Films and filmstrips on dental health.

A two-day In-Service Training Course for Dental Hygienists held at the Lemuel Shattuck Hospital in Boston during June was attended.

DENTAL CLINIC

Clinic sessions (reparative work and examinations)	80
Completed cases at clinic	91
Fillings in six-year molars (permanent teeth)	119
Extractions	
Temporary (Baby teeth)	101
Permanent — for grade two	3
— Special class	1
Treatments (including X-ray)	129
Number of dental prophylaxis (cleaning of teeth)	
by Dental Hygienist	981
Amounts received for clinical services rendered:	
Fees returned to the Town	
For dental prophylaxis	\$86.10
For sale of toothbrushes	25.62
For filling and extractions	18.15
	\$129.87

We wish to express appreciation to the Commission of Public Safety, Health Division, School Department, dentists, and teachers for their support of our program.

Respectfully submitted,

JANE B. BRADFORD,

Dental Hygienist.

WILLIAM O. DYER, D.M.D.,

FRANCIS C. ORTOLANI,

D.M.D., F.A.C.D.

School Dentists.

ONE HUNDRED AND FOURTH
ANNUAL REPORT
OF THE
Water Commissioners
AND
Superintendent
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1958

One Hundred and Fourth Annual Report of the Water Commissioners

The Board of Water Commissioners submits the One Hundred and Fourth Annual Report covering the calendar year 1958.

The total rainfall during the year amounted to 62.00 inches compared to an average for this area of 45 inches. This rainfall of 62.00 inches has been exceeded only once since the Department started keeping records of annual precipitation in 1904. The maximum on record occurred in 1953, when the rainfall amounted to 62.42 inches. The annual rainfall directly affects the operations of the Department. When rainfall is abundant water consumption and pumping costs are less, and conversely these items increase when the annual rainfall is below average. The generous rainfall during the year was reflected in a rise of the water level at the South Ponds. The year ended with the water elevation at Little South Pond at 107.2 feet, as compared with 104.8 feet for the previous year, when the rainfall was 36.93 inches.

From the sale of water, connections to new mains, services rendered, etc., the Town received amounts for the year as follows:

	Rates	Services Rendered	Total
North of Stone Tank at Rocky Point	\$96,327.89	\$740.00	\$97,067.89
South of Stone Tank at Rocky Point	17,556.58	1,341.00	18,897.58
Total	\$113,884.47	\$2,081.00	\$115,965.47

In addition to the above the Town received from developers for the extension of water mains in new developments plus collection of delinquent water bills through the tax lien law the sum of \$9,224.71, making the total Water Department revenue to the Town for the year equal to \$125,190.18.

On October 21, 1957, the 1,870,000 gallon open ground reservoir located on high ground adjacent to the Lout Pond Pumping Station was taken out of service. During the spring of 1958 this open reservoir was emptied. Inasmuch as this reservoir had never been drained since it was built and put into use in 1876, there was considerable speculation as to what would be found at the bottom after the water was drained. The empty reservoir revealed the sloping side walls to be surprisingly clean and only a moderate amount of silt and sand covering the bottom.

Since abandoning this open ground reservoir, made possible by the two new steel storage tanks built in 1957, the bacterial quality of the water in the high and extra high systems has shown a definite improvement in purity, as shown by the regular weekly laboratory analysis of the water.

The Commissioners are now considering plans to convert the present Lout Pond station diesel driven pumping units over to completely automatic electric driven pumping equipment. New pumping equipment is needed as the Wolverine diesel is now 23 years old and the Fairbanks-Morse unit can deliver only about one-half of its original capacity when pumping into the new steel storage tanks, which are at a higher elevation than the abandoned reservoir.

Metcalf & Eddy have made a study of and prepared a report on the future water supply requirements of the Town, in which they recommend that new, completely automatic electric pumping equipment be installed at the

Lout Pond Station. This conversion will reduce annual operating costs and will replace the existing pumping equipment, which is not adequate and can no longer be considered dependable.

IMPROVEMENTS TO THE TOWN WATER SYSTEM

With money still available from the 1955 bond issue of \$250,000 the 12-inch cast iron main in Sandwich Street which terminated at Bramhall's Corner was extended along River Street to Clifford Road, a distance of 2,700 feet. The installation of this section of new main resulted in a substantial improvement to the supply for takers on the Rock Hill Road area.

A new 10-inch cast iron main was installed starting at Nook Road and continuing along South Street to Obery Street and following Obery Street for a total distance of 2,500 feet to tie into the termination of an existing 8-inch main in Obery. This new main replaced 4-inch and 6-inch jacketed pipe that was partially plugged and in very poor condition. This new main provided a very critically needed loop connection or second feeder main supplying all takers south of Jabez Corner.

In Warren Avenue a new 12-inch main was laid from Eel River southerly for a distance of 1,038 feet. The Commonwealth shared one-half of the cost of this installation due to certain changes made by the Commonwealth in this roadway which destroyed the existing 6-inch main in this section. The installation of this length of new main is part of the long range plan to provide increased capacity to the southerly end of the Town.

The Department personnel supervised the relocation of approximately 1,000 feet of existing 6-inch and 8-inch cast iron main at the new access from Cherry Street to Route 3. The Commonwealth assumed the cost of trenching and laying.

APPROPRIATIONS REQUESTED FOR 1959

Maintenance and Labor	\$62,460.00
Salaries	30,823.00
Emergencies	2,500.00
Regular Construction	9,000.00

SPECIAL ARTICLES — 1959

New Pumping Equipment — Lout Pond Station	\$13,000.00
Purchase ½-ton Pickup Cab and Chassis	1,900.00
Relay main in Summer Street	23,000.00
Hydrants at Cold Spring School	3,200.00
New Main in Brook Road (By Petition)	12,000.00
New Main and New Steel Storage Tanks in Manomet (By Petition)	
Lay Main in Fair Oaks & Arboretum Road at Shore Acres, Manomet	8,850.00*
Lay Main in Winding Way and Winding Lane off Sandwich Street, Plymouth	14,700.00**

*Developer to contribute \$2,850 toward cost of this construction.

**Developer to contribute \$6,630 toward cost of this construction.

TABLE SHOWING NEW CONSTRUCTION, LOCATION, SIZE AND COST OF PIPE AND ACCESSORIES LAID DURING THE YEAR 1958

 DANIEL F. MULCAHY,
 RICHARD T. ELDRIDGE,
Board of Water Commissioners.

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Mass., Water Works.)

Population, 13,892 (Summer population, 15,250, according to Selectmen's estimate.)

Date of construction, 1855.

By whom owned, Town.

Source of supply, Great and Little South Ponds, Manomet Well, Lout Pond Well.

Mode of supply, Gravity for Low Service, Pumping for High Service and Wells.

PUMPING

Builders of pumping machinery, Fairbanks-Morse, Wolverine-Gould, Deming, Warren and Morris.

Description of fuel, Oil.

Amount used, 12,654 gallons.

Pumpage for the year:

Wolverine-Gould	179,154,000 gals.
Fairbanks-Morse	142,851,000 gals.

	322,005,000 gals.
Manomet Well (electric)	20,573,400 gals.
Lout Pond Well (electric)	128,586,000 gals.

471,164,400 gals.

(Note: New High Service (electric)

45,983,200 gals. RE-PUMPED)

Average static head, 94.0 feet.

Average dynamic head, 103.0 feet.

Number gals. per gal. fuel oil:

Wolverine-Gould	25,987
Fairbanks-Morse	24,800

Duty of pumps:

Wolverine-Gould	165,000,000
Fairbanks-Morse	157,000,000

COST OF PUMPING FIGURED ON
PUMPING STATION EXPENSES, VIZ: \$15,291.19

Per million gallons against dynamic head into direct pipe	\$47.486
Per million gallons raised one foot high (dynamic)	0.461

COST OF PUMPING FIGURED ON
TOTAL MAINTENANCE EXPENSE, VIZ: \$66,719.86

Per million gallons against dynamic head into direct pipe	\$207.201
Per million gallons raised one foot high (dynamic)	2.011

STATISTICS OF CONSUMPTION OF WATER

Population, estimated, 13,892. (Summer population, 15,-
250, according to Selectmen's estimate.)

Estimated population on pipe line, 12,500.

Estimated population supplied, 12,500.

Total consumption for the year, 540,917,078 gallons.

Average daily consumption, 1,481,964 gallons.

Gallons per day to each inhabitant, 118.

Gallons per day to each tap, 310.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of pipe, Cement lined sheet iron, Cement lined cast
iron and Cement asbestos.

Sizes, From 2-inch to 30-inch.

Extended, 1,325 feet.

Discontinued, 5,880 feet of 4" and 6", replacing with 12", 10" and 8".

Total now in use, 89 miles, 4,228 feet.

Cost to repair per mile, \$28.50.

Number of leaks per mile, 0.25.

Small distribution pipe less than 4-inch, 5 miles, 860 feet.

Hydrants now in use, 504 public and 77 private.

Stop gates added, 20. Discontinued, 10. Number now in use, 1,247.

SERVICES

Kind of pipe, Lead, Cement lined galvanized and Copper tubing.

Sizes, From three-quarter-inch to six-inch.

Total now in use, 14 miles, 655 feet.

Service taps added, 63. Discontinued, 7.

Total now in use, 4,778. (3,502 in Plymouth, and 1,276 in Manomet.)

Average length of service, 23 feet.

Average cost per service, \$75.00.

Number of meters added, 79.

Number now in use, 3,753.

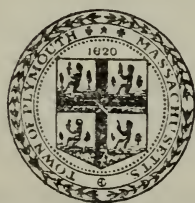

Percentage of services metered, 78.5%.

ANNUAL REPORT
OF THE
Board of Selectmen
OF THE
Town of Plymouth

FOR THE YEAR ENDING
DECEMBER 31

1958

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The affairs of the Town were conducted in accordance with the provisions of the Massachusetts General Laws and within the budget limits established by the Town Meeting.

The Town was represented by the Selectmen at all hearings with State and County officials.

The program of improving street lighting was continued in the interest of public safety and new lights installed where new home developments required.

• The program of street surfacing was continued as far as funds would permit. The program included the elimination of deep gutters where streets were formerly crowned in order to facilitate more efficient parking of cars.

Such recommendations of the Traffic Survey that could be made effective without the expenditure of funds were carried out to expedite the flow of traffic.

The shore protection program was delayed because of a curtailment of State funds necessitating a review of all projects by the State. The only one approved at this date is that of the repairs to the bulkhead at the Town Wharf.

The improvement to the airport was delayed because of weather conditions but is now progressing to completion which should be by early summer. The new runway has resulted in an increase of activity which is reflected in additional tax revenue to the town.

All departments have been cooperative which is acknowledged with thanks by this Board.

The various committees established by Town Meeting have operated with an interest that indicates that all concerned are striving for the goal of economy, efficiency and harmony.

The Town enjoys a sound financial standing and is considered well operated.

Respectfully submitted,

JAMES T. FRAZIER,
SUMNER A. CHAPMAN, JR.,
FRANCIS P. SHEA,
WILLIAM H. BARRETT,
GORDON M. WIGGIN,
Board of Selectmen.

TOWN FOREST

To the Honorable Board of Selectmen:

During 1958 the State planted 70,000 seedlings in the Town Forest at a cost of \$20.00 per thousand, total cost \$1,400.

The following trees were planted: 30,000 white pines, 39,000 red pines and 1,000 Japanese larches. The trees did fairly well in the shaded areas and some areas suffered heavily because of the lack of shade.

Fire lanes were harrowed. In 1959 the roads will have to be cut back as the dead pines will be falling across the roads.

Respectfully,

JOHN A. KENNEDY, *Chairman,*
JAMES A. WHITE, *Secretary,*
GEORGE L. GOODING,
Town Forest Committee.

REPORT OF COMMITTEE ON INLAND FISHERIES

To the Honorable Board of Selectmen

Gentlemen:

Your Committee wishes to report that the appropriation for the year 1958 was expended for 8-10 inch brook trout which were liberated in Town Brook and Little Pond.

This was the first year that we were able to use some of the Philip Jackson Fund.

Our efforts to procure yellow or white perch were unsuccessful.

There have been good reports on large pickerel in Boot Pond.

We request that the sum of three hundred dollars be appropriated for our use in 1959.

Respectfully submitted,

FRANK L. BAILEY, *Chairman*
GEORGE L. GOODING
WILLIAM R. WOOD

REPORT OF THE TOWN ENGINEER

To the Honorable Board of Selectmen:

During 1958, layout plans were made for Homer Avenue, Phoenix Court, Lothrop Street between the Railroad and Water Street, South Street between Towns Street and Braley Lane, Holmes Terrace parallel to the Railroad; and alterations at the corner of Sandwich and Lincoln Streets, the corner of Robinson and Sagamore Streets, and the corner of Robinson and Mayflower Streets. These layouts were accepted at the annual Town Meeting in March.

A survey and plan were made of the Cedarville Dump.

A survey and plan were made of Town-owned land at Obery and South Streets for conveyance to the State for Highway Maintenance purposes.

A drainage survey was made of a portion of Valley Road in Cedarville.

Surveys and plans were made with a view toward providing public access to Cooks Pond, Fresh Pond, Great Herring Pond, Island Pond, and Little Island Pond.

A total of 103 permanent concrete bounds were set under the supervision of the Town Engineer as follows: Obery St., 6 bounds; Manomet Ave., 8 bounds; Manomet Point Rd., 3 bounds; Castle St., 4 bounds; Homer Ave., 9 bounds; Holmes Terr., 6 bounds; Robinson St., 15 bounds; Olmsted Terr., 6 bounds; Lothrop St., 4 bounds; Towns St., 2 bounds; Gould Rd., 4 bounds; Plymouth Airport, 4 bounds; Ocean View Ave., 7 bounds; Boutemain Ave., 5 bounds; Town Wharf Lot, 2 bounds; Nicks Rock Rd., 18 bounds.

Respectfully submitted,

EDWARD CHASE,
Town Engineer.

OFFICE OF VETERANS' SERVICES

To the Honorable Board of Selectmen
Plymouth, Massachusetts

The following is the report of the Veterans' Services Department for the year 1958.

The expenditure of relief funds was slightly higher this year due to the increasing number of veterans and their dependents seeking aid. Medication and medical were a big item on this year's budget.

Although the employment situation during the summer was good the past few months have disclosed a steady increase in unemployment.

Many of the veterans are taking advantage of the G. I. Bill regarding schooling and on the job training.

The services of this office reached a new high this year and at this writing the outlook for 1959 will be about the same, possibly a little higher.

A breakdown of services follows:

Veterans' Benefits	424
Pension Questionnaires	88
Bonus Applications	30
Civil Service	17
Discharges Recorded	197
Employment	33
Housing	3
Information (Miscellaneous)	2579
Legal Aid	2
Hearing with the Bonus Commission	2
Social Security	159
Tax Abatement Forms	73
Telephone Calls and Letters	6583
Unemployment Compensation	137

Vital Statistics	1562
Burial Allowances	16
Compensation	51
Education	12
Training	20
Hospitalization	68
Insurance	73
G. I. Loans	17
Medical and Dental	87
Pension	83
Other Records	150
Notary	15
Eligibility Forms	52
Head Stones	21
Dependency Compensation for	
Parents of Veterans	5
Change of Address Forms	32
Change of Beneficiary for Insurance	31
Power of Attorney	17
Liens	5

Respectfully submitted,

RALPH A. TORRANCE,

Director.

INSECT PEST CONTROL

To the Honorable Board of Selectmen:

All elm trees were sprayed with 12% DDT dormant spray and another 6% DDT spray late in May for foliage spray for elm leaf beetles which were very heavy. However, 1958 was a very bad year for spraying and the weather was very wet and windy. Night spraying is the best for the spraying of elm trees as the wind is very quiet in the evening and traffic, generally, is slowed down.

The gypsy moth trapping program was followed again this year and a total of 138 traps were spread out over 66,042 acres in the Town of Plymouth. A total of 12 male moths were caught. This is good proof of the spray program for 1958 and the trapping is a must every year.

Dutch Elm Disease is about the same. We had 12 cases this year. This is six-tenths of one percent, that is, 12 trees out of approximately 2,000 elm trees.

It is of the utmost importance that the program be continued. We feel that this record is due to the spray program in which three towns have participated in a very cooperative manner. Plymouth, Kingston and Duxbury have as good looking trees as anywhere in the State.

The survey shows that our losses are not from Dutch Elm Disease alone but from widening of streets like Samoset Street which took a toll of approximately sixteen trees in two years.

Respectfully,

JOHN A. KENNEDY,
Moth Superintendent.

ANNUAL REPORT OF THE COMMISSION OF PUBLIC SAFETY

Honorable Board of Selectmen
Town House
Plymouth, Massachusetts

Gentlemen:

The Commission of Public Safety respectfully submits its annual report for the year 1958. Detailed reports of the various departments under the Commission appear on following pages.

The Commission has held its usual weekly meeting each Monday night throughout the year plus many special meetings.

Fire Chief Everett B. Wood retired from the Fire Department on December 31st. Captain Arthur Lamb was appointed Acting Fire Chief. The position of permanent Fire Chief and permanent Police Chief will be made as soon as the result is made known of the civil service examinations for these two positions.

The matter of suitable quarters for the police department is being studied by a special town committee. It is hoped that the committee's recommendations will be followed by the Town as the present quarters are inadequate for modern police needs. The Town voted to build a new fire station in Manomet. This matter is also in the hands of a special committee. When this station is in use it will add greatly to the efficiency of the Manomet division of the Town's fire fighting forces and give much needed facilities for the housing of apparatus and equipment.

The commission once again urges the citizens of Plymouth to follow an orderly and regular replacement plan for equipment used in the Fire, Police and Health Depart-

ments. This type of equipment is costly and should be replaced on about a 20 year basis for all except passenger type automobiles used in the departments.

At the present time Plymouth is classed as "B" by the Fire Underwriters. The rating is so close to the border line that the recommendations made by the Fire Underwriters as to fire apparatus and number of men in the fire department should be heeded or the Town could drift into a Class "C" rating with subsequent increase in insurance rates. Recommendations for equipment in the protective departments are made solely on the basis of prudence in anticipating emergency needs. Our responsibility is to recommend. It is the Town's responsibility to appropriate or not the money needed to maintain the protective departments.

Your Commission and the Chiefs of the departments will administer the departments as prudently and carefully as possible with the funds and equipment made available by the Town.

The number of tuberculosis cases in the Town causes your commission grave concern. The weak link in the system of detection and control is that there are neither the funds nor the nurse needed to follow up cases that are detected with the result that whole families become infected with the disease. A request is made that funds be appropriated for nursing service in contagious diseases. We believe that the Town will, in the long run, find such an activity a good investment.

We wish to point out that the Town must anticipate increased demands on its protective departments. Real estate growth and an increase in the popularity of the Town as a tourist attraction means additional calls on the services of the fire department, police department, health department, dog officer, building inspector, plumbing inspectors and forest fire department.

Our thanks are extended to the heads of all town departments who have always responded quickly and willingly to any requests for help or advice. Also do we extend our thanks to the heads and members of the departments under the authority of the Commission for their efficient and competent work in carrying out the responsibility for the safety of the life and property of the people of Plymouth.

Respectfully submitted,

PAUL W. BITTINGER, *Chairman*,
JOSEPH R. STEFANI,
CHARLES C. WALL,
Commission of Public Safety.

On June 7, 1958 Engine #4 located at the North Station on Spooner Street was replaced by Engine #3 formerly housed at Central Station. This move is one more step in conformity to recommendations of the Underwriter survey conducted on June 14, 1957.

Engine #4, a 1936 Maxim pumping engine, originally rated as a 500 gallon per minute pumper, was found by test conducted by the Underwriters of being incapable of meeting underwriter requirements. Inasmuch as the minimum requirement is 500 gallons per minute, Engine #3, a 1943 Seagrave, 500 gallon per minute pumper which still meets these minimum requirements, was placed in service at North Station.

Engine #4 is presently located at the Central Station and it should be replaced in conformity with the departmental replacement program. Its age and condition render this engine unreliable for continued fire service and its replacement is to be asked for this year (1959).

FOREST FIRE DIVISION

Miles Traveled	661 miles
Number of Calls	91

Hose Used ¾"	350 feet
Hose Used 1½"	11,350 feet
Largest Fire, Hedge Pond Road	3 acres

On September 27, 1958, a new forest fire truck was added to the Forest Department. This kit was built up from a Dodge chassis in the maintenance and repair section of the department. The members of the department contributed both ideas and labor which went into the construction of this apparatus under the supervision of the fire department mechanic.

We are looking forward to housing forest fire apparatus in the Manomet area this coming year on a year round basis. At present we place one such kit in this area through the critical forest fire months and then return it to South Station throughout the remaining months. This procedure is necessary because we do not have adequate housing facilities for our needs in the Manomet area.

	1,031

Receipts:

Licenses and Permits	\$2,334.50
Tuberculosis Subsidy	1,331.78
Dental Clinic	44.77
Sale of Garbage	325.00
Town of Sandwich	201.00
	\$4,237.05

Immunization Clinic:

Innoculations Given

Polio	152
Diphtheria, Tetanus, Pertussis	91
Vaccinations	32
Diphtheria and Tetanus, Children	3
Diphtheria and Tetanus, Adult	3
	281

This is quite a drop from 1957 and it is felt that many children who should have these innoculations are being neglected. Parents and young adults are urged to avail themselves and their children of the opportunity to be

immunized against paralytic polio. Your physician will be glad to arrange for the innoculations.

Premature Births

22

The week of November 17th we had a Mobile Chest X-ray Survey and were very gratified with the results. There were:

1091 X-rays paid for by the Town

145 X-rays paid for by the George Mabbett & Sons Co.

139 X-rays paid for by the Plymouth County Health Assoc. (These X-rays were done at the House of Correction)

We were aiming to x-ray only special groups and were successful in that 95% of those x-rayed fell in these groups. The Plymouth County Health Assoc. was also very pleased with this record. Work is still being done on the follow-up of these x-rays.

Again, in 1959, the Town is being asked to provide the Health Department with a Public Health Nurse for which there is a great need in Plymouth.

ANNUAL REPORT OF PLYMOUTH AIRPORT COMMISSION

Through much effort by the Plymouth Airport Commission, with assistance of the Citizens' Committee and the approval of the Town Meeting, the Town of Plymouth was prepared to avail itself of Federal and State funds for the expansion and development of a municipal airport.

The availability of such funds depended upon the joint approval of the Federal and State agencies after a thorough study by those bodies to determine the justification of improvements.

Following such approval, the contract for expansion and development of the airport was awarded in September, 1957, to Norwell Sand & Gravel Co. for construction of a runway, taxi strip and approaches.

A delay of 134 days of construction was experienced due to weather conditions. However, the work was completed in September, 1958, consisting of a hard-surfaced runway, 3,000 feet long by 75 feet wide as well as hard surfaced taxi strips from the runway to the airplane parking area.

The approaches of 1,000 feet on each end of the runway provides facilities for the safe operation of airplanes up to the transport class.

Through private investment, which is one of the requisites of the Federal and State Aviation Agencies, a storage hangar was erected on property adjacent to the airport and as of December 1, 1958, leased to the Plymouth Airport Commission.

This hangar was immediately filled to capacity, bringing plane owners from a radius of 25 miles of Plymouth.

This has increased the revenue from storage by 450% over previous years. As anticipated, upon re-opening the airport, the traffic increased by 500% and the gasoline sales by 300%.

Through the cooperation of the Plymouth County Commissioners, an exchange in hangar space for the Fire Patrol plane, made available a small building which is now rented by a licensed mechanic and inspector thereby providing plane owners a source of necessary maintenance.

It is anticipated that the runway lighting system, which was included in the original program, but necessarily deferred until the runways had been completed, will be completed in the Spring of 1959, thereby making the Airport available for 24 hour service.

The Airport Commission is exploring the possibilities of passenger service to Boston and Cape Cod for convenience of commuters and air travellers making connections with major airlines.

The very favorable facilities at the Plymouth Airport is expected to indicate additional activity which in turn results in additional revenue to the Town as well as indirect benefits to commerce by transient travellers.

Respectfully submitted,

JAMES T. FRAZIER, *Chairman*,
SUMNER A. CHAPMAN, JR.,
FRANCIS P. SHEA,
JOHN PETRELL,
GORDON M. WIGGIN,

Plymouth Airport Commission.

ELIO W. BARUFALDI, *Airport Manager*

REPORT OF SUPERINTENDENT OF STREETS AND SEWERS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Street and Sewer Departments from January 1 to December 31, 1958:

SEWERS

Approximately eight miles of our main sewers were dragged and tree roots removed. Several sewer manholes were repaired and new frames and covers replaced. The Town Wharf sewer outlet was repaired with Gordon Howland paying one-half of the cost. There were no new extensions added to the sewer system in 1958. Eleven new house services were put in this year.

STREET CLEANING

The street cleaning program was carried out with the Elgin sweeper covering the main road and waterfront every day and the side streets every other day. The present sweeper is nine years old and in very poor condition. I am recommending the purchase of a new sweeper in my 1959 budget.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Cordage St., North St., south side, Olmsted Terr., north and south sides, Leyden St., south side, from Main St. to Water St., Court St., east and west sides, Castle St., south side, Middle St. from Main St. to Carver St., north and south sides, Gray Ave., east side to Davis St., School St., at the new insurance building, Lewis St., south side, Standish Ave. at Cartmell's Funeral Home, Atlantic St., north side, Sandwich St. at Harlow House, Murray St., south side, Holmes

Terrace, south side. Several sidewalks were graded and filled with gravel and will be black-topped in 1959.

DRAINS

Sandwich St. at Jordan Terrace, 400' of 12" concrete pipe, two catchbasins and one headwall was installed. Sandwich St. at Baietti's property, 50' of 12" concrete pipe and two catchbasins were installed. The Alden St. drain pipes were dug up, cleaned and replaced for a distance of 400 feet. Catchbasins were cleaned and small repairs made with brick and cement.

FENCES

The old wooden fence on Rte. #44 at Volta's Oil Co. was removed and replaced with 15 cement posts painted black and white. Ten cement posts were reset on Rte. #44 caused from accidents. Ten cement posts were set on the Great Herring Pond Road replacing the wooden fence. Six cement posts were set at Carter's Bridge in Cedarville. Fifty feet of guard rail was repaired on the ends of Carter Bridge with 10 cedar posts set, 4x4 top rail replaced and the fence painted white. The wooden fence around the property of Mrs. Maybury on Newfield St. had ten wooden posts reset, new 4x4 top rail and fence painted. Pickets were replaced on the fence at Robinson St. During inclement weather cement posts were made by the department.

CHAPTER 718, ACTS OF 1956

The continuation of road improvement with Chapter 718 funds was completed on the following streets at a cost of \$16,525.50: The following streets were resurfaced with a base course of Type I 1½ inches deep and 1 inch top: Oak St., Carver St., Dias Road, Fremont St., Murray St., Union St.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following streets had a 3" Type I mix laid over the old road surface: McKinley Road, Grant St., Harding Ave., Walnut St., Cushman St., Clyfton St., Savery's Ave. and Water St. from Leyden St. to State Pier. A 3" mixed in place surface of gravel and asphalt was completed on these streets: Towns St., Carver Road, off Liberty St. and Liberty Street. Island Pond Road in Cedarville received a seal coat treatment of asphalt and sand.

CHAPTER 90 CONSTRUCTION

Samoset Street from Allerton St. to Royal St. received a new base of penetrated stone with asphalt and a 3" surface of Type I mix. The road was widened three feet on the south side from Allerton St. to Oak St. and a new curbing and black-top sidewalk laid. Campanella and Cardi Co. of Rhode Island were awarded the contract for this work.

South Street from Sandwich St. to Towns Street had the old road surface removed and brought up to grade with gravel. The base course of the road was built with 3" stone penetrated with asphalt and covered with 3" of Type I surface. A new drainage system was installed in four different sections with 12" and 15" concrete pipe laid with catch basins and manholes built. New cement curbing was laid and sidewalk completed with a black-top surface. Donahue and Flaherty, Inc. of Boston received the contract for this work.

CHAPTER 90 MAINTENANCE

The following roads were sealed with asphalt and sand under Chapter 90 maintenance funds with the Town furnishing one-third of the cost: Route 44 from Carver line to the By-Pass, South Meadow Road from Carver line to Federal Furnace Road and Rocky Hill Road from Rte. 3A to the water tank.

GRANOLITHIC SIDEWALK AND CURBING

Olmsted Terrace had 1500' of new curbing laid on the south side from Standish Ave. to Court St. The sidewalk was graded and filled with gravel and a black-top of 2" of hot mix laid. Royal St. had 600' of new curbing laid on the east side from the Johnson property to Mrs. Carmella Moskos. This sidewalk will be graded and black-topped in 1959. Alden St. Ext. had 600' of cement curbing laid and sidewalk will be graded and black-topped at a later date.

TRAFFIC AND STREET MARKING

Lines and crosswalks were repainted white and restricted areas painted yellow including taxi stands. Traffic signs have been repainted from the black and white to the standard red and white. Meter posts were replaced where cars and trucks backed into them.

STREET ALTERATIONS

The corner of Court and Cherry Sts. was rounded and cut back approximately ten feet. A new cement wall twenty-eight feet long was built to protect the existing property. Forty-five feet of cement curbing was built and a black-top sidewalk laid. It was necessary to remove the Police Box and Electric Light Co. pole to the back side of the sidewalk for this alteration. There are four more corners to be rounded when weather permits in the spring of 1959.

MISCELLANEOUS

The following rivers and streams were opened up with hired equipment caused from the northeast storms occurring during March and blocking them with sand and debris: Eel River from the bridge at Warren Ave. to the outlet, Bartlett Brook from Bartlett Pond to the ocean and Fisherman's Landing was bulldozed a distance of three hundred feet.

Two corners on Nick Rock Road were cut back in order to move a building from Braunecker's Farm to Standish Ave. Approximately 1000 cu. yds. of fill was removed, trees cut down and stumps removed. The Electric Light Company poles were set back on the town line.

The work in the outlying districts has been carried out satisfactorily by the district foreman. The cutting of brush, gravelling, widening of bad corners and scraping were all given the proper attention.

The several requests from the Selectmen's Office and other town departments were given special attention.

Newly accepted roads by the Town have been bounded by the Town Engineer with the bounds being made by the Highway Department. Lines and grades for street and sewer work have been furnished by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

ELMER C. CHANDLER,

Supt. of Streets and Sewers.

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Mass.,
for 1959-1960

REPORT OF DEVELOPMENT AND INDUSTRIAL COMMISSION

To the Board of Selectmen:

The Plymouth Development and Industrial Commission during 1958 completed preliminary plans for the project referred to in our 1957 report, a Retirement Area Housing Development which, we firmly believe, will be of considerable economic benefit to Plymouth. This project was approved by town authorities and was accepted by action at a special town meeting establishing an Urban Redevelopment Authority. It was gratifying to our Commission that the proposal met with enthusiastic support. We are quite confident that the work of the new Authority will lead to the creation of the type of development which we have in mind.

Our 1957 report referred to some of the problems of new industrialization. Competition between communities, counties and states seeking to attract new industry continues throughout the country and, of course, this creates a condition wherein the demand, by communities, for new industry is far in excess of the supply of industries seeking new location, or relocation. It follows, more or less, that communities having reasonable geographical locations relative to raw material or consumer markets are in a favored position. Plymouth, unfortunately, enjoys no such favored location. Availability of labor, climate, water supply and a host of other factors enter into industrial considerations; tax abatement and financial incentives from the community have been held out to a ridiculous extent in some instances, designed to entice new industry.

We have pointed out previously that industry does not always select a site solely because of economic con-

siderations. More and more the matter of livability is becoming a factor. "Is the town, or city, a good place to live?" "What about schools, recreational facilities, social factors?" Plymouth does measure up in these areas of consideration. Plymouth is a good place to live.

The Plymouth Development and Industrial Commission is continuing to work with a hired consultant and we hold the conviction that the economic future of the town can and will be assured either through new industry, housing or the attraction of other business and income to the community.

Assuming that the Plymouth economy needs 500 jobs or the equivalent to develop new payrolls of \$2,000,000 per year, and assuming this is not accomplished, the best alternative is to attract to Plymouth 500 families with incomes, let us say, in the \$4,000 to \$5,000 class; let us assume further that this class of people is likely to be found among retired people. It would appear apparent that we should attempt to reach these people and create housing fashioned to the requirements of this type of people.

If it is argued that this approach does not create jobs, this is true, insofar as industrial type jobs are concerned, but developments of this nature do create other types of jobs — professional jobs, commercial jobs, retail, wholesale jobs and maintenance jobs. And, obviously, the building of new housing to accommodate these families can be translated into new tax revenue of adequate size to take the pressure off existing taxpayers and provide for increasing cost of local government.

The Development and Industrial Commission was established under an enabling act which is somewhat restrictive, emphasizing commission activities along industrial lines. We have asked our Plymouth Representative, Mr. Armstrong, to propose to the legislature bodies an amendment to the act which will enable the Commission

to seek economic help not only through the creation of new industry but also through the attraction of other free enterprise undertakings and, perhaps, the establishment of a regional Junior College.

PLYMOUTH COUNTY MOSQUITO CONTROL PROJECT

With the appointment of the superintendent on January 1, 1958, your project activities were a reality, prospective personnel were interviewed and selected for employment, the essential automotive, spraying equipment and tools were requisitioned through the State Purchasing Bureau. At the close of the calendar year 1958, the items of equipment on inventory represented an investment of approximately 25% of our first year's budget. Obviously these are not recurring items of expenditure and after the extensive use of all the control equipment this past summer their efficiency and durability would indicate many seasons of usefulness.

CONTROL PROGRAM

In a coordinated district mosquito control program the fundamental effort is aimed at the elimination of breeding areas, both by drainage and cooperation of the public to avoid creating numerous man-made breeding items where stagnant water persists. Where this is not

possible, a periodic larviciding treatment is applied to prevent development of the adult (flying) mosquitoes.

With this definite target in mind, all of the early planning for control was concentrated in areas where such control would effect the most productive results to the greatest number of people in each of our municipalities. As our efforts are not restricted by town lines, an urban development in one town can be protected by control of contiguous breeding areas in the adjoining town.

DRAINAGE

With this phase of the work our number one priority, the heavy and persistent breeding this past wet summer prevented any extensive fresh water drainage until after September 1st.

Funds available for salt marsh drainage enable us to schedule and complete such work in areas that always caused trouble in the coastal area. Starting with this work at Saquish where all existing ditches were cleaned and made operable, the salt marsh funds consolidated with project money, the ditching work progressed along the coast to the Cedarville area.

With our regular personnel combined with some seasonal help, all under the supervision of our project foreman, an outstanding amount of work was completed. While this work was all limited to hand tools, these ditches will function and be improved as we acquire power equipment for this ditching. Since September we have drained a number of small fresh water areas causing trouble in residential areas, an example of this is at the foot of Knapp Terrace, along the railroad where an acre or two of swamp must have been releasing mosquitoes for many years.

Respectfully submitted,

WARREN G. HARDING,
Superintendent.

PLYMOUTH COUNTY AID TO AGRICULTURE

The Plymouth County Extension Service (Trustees, Plymouth County Aid to Agriculture) is located in the Court House, Brockton. In cooperation with the University of Massachusetts and the United States Department of Agriculture, it provides information to Plymouth County citizens dealing with Home, 4-H Club Work and Agriculture.

Citizens of this Town should realize that this is a service provided by the County, State and Federal governments and large numbers of people are availing themselves of the opportunity to secure helpful information concerning the Home, Home Grounds, 4-H Club Work and Agriculture. Requests for such information should be directed to the Plymouth County Extension Service, Court House, Brockton, Mass.

Funds for County Aid to Agriculture are derived principally from the County. Some Federal funds are also made available through the University of Massachusetts. Most towns in Plymouth County make a token appropriation which is used for the general expenditures of the Plymouth County Extension Service. Town Directors are appointed in those towns where an appropriation is made. These Town Directors are unpaid volunteer leaders who serve as Extension Service representatives in their respective towns.

The Town Director serving Plymouth is John Prentice, Jordan Road.

REPORT OF THE HARBOR MASTER

To the Honorable Board of Selectmen:

The 1958 boating season in Plymouth was a banner year.

Many new activities took place along the waterfront which included speed boat racing, boat parades, water skiing exhibitions, sight-seeing excursions and square dancing at the Town Wharf.

The Harbor Master's boat was invaluable this year. Among the uses were: eight rescues from the water, assistance to many disabled craft, used in waterfront fire and in connection with police investigations on Saquish and summer patrols nightly to Duxbury Pier Light at dusk.

Due to the popularity of boating, Plymouth's deep water anchorage has reached its maximum accommodations.

The number of visiting boats tripled this year because of the Mayflower II being berthed at the State Pier.

Plymouth's dragger fleet had another poor year, and the party boat fleet had a very good year.

Fishing Boats in Harbor	25
Pleasure Boats of All Types	476
Party Boats in Harbor	17
Pleasure Boats Visiting Harbor	1,002

Respectfully submitted,

DONALD L. McDONALD,
Harbor Master.

PLYMOUTH COMMUNITY NURSE ASSOCIATION

To the Selectmen

Town of Plymouth:

We are submitting a report of the Plymouth Community Nurse Association, for the period of one year from October 1957 to October 1958.

Our forty-first year of service to the people of Plymouth and Kingston has ended and once again it is time for a careful evaluation of ourselves, to insure the people in our community the best Visiting Nurse service possible.

During our fiscal year from October 1, 1957, to October 1, 1958, there were 7,646 visits made to patients. There has been a slight decrease, as compared with the number made last year. It is our hope as each year passes, that more people are learning of our service which is available to all in our community regardless of their social or economic status. Anyone who requires skilled nursing care at home for any type of illness, or help in caring for other members of the family, should feel free to call for service. We work at all times with authorization from the attending physician. At times we are requested to visit a patient after the family has struggled with care for a long period of time and find that much help could have been given if our service had been known to that family earlier.

Each patient who is visited can expect to receive nursing care in accordance with his needs arising from illness, as well as his needs as a person. An explanation will be given to him regarding the nature of the care he is to receive so that he and his family can understand and contribute their share in keeping him well. Because ill-

ness involves not only the patient, but has its effect on the entire family, the nurse also becomes a teacher for the patient and family group with her teaching extending from this group to the community.

People not only live longer but with middle life, certain complicating conditions such as Heart Disease, Cancer, obesity and accidents accelerate the aging process. We are ever mindful in our daily visits to stress prevention as far as accidents are concerned and bring to the attention of the physician any early symptoms of disease which are often told to the nurse by the patient. These measures help to prevent premature acceleration of the aging process. The greatest aspect of preventive care is the planning which a person does in earlier years for a happy and productive old age, which has a definite relationship to positive health. Our aging citizens have a definite contribution to make and can remain longer in gainful employment, at least on a part time basis with controlled work loads and hours of work because their valuable contribution to the business world has been recognized. Regardless of physical ability, persons over 60 often tend to become less able to respond emotionally to their environment because of general cultural attitudes. This leads to segregation which causes the individual to feel insecure and unwanted. They will often respond with hostility, withdrawal and depression and this desocialization also results in aging; but allowing the older person to socialize and to remain an integral part of the community will help to retard aging. We are ever mindful of all these factors with the underlying objective of improving individual and group living for all families we contact.

Our Well Child Conferences continue to be held twice monthly on the first and second Thursday of each month, with Dr. C. James Gormley as conference pediatrician. The first conference is held at our office at 10

Market Street for those families living in the Plymouth-Manomet area. The second conference is held at Harris Hall, Plymouth Cordage Company, for families living in the North Plymouth-Kingston area. Our conferences are held for those families who are financially *unable* to afford to take their infants and preschool children to their family physician for well child check ups. The purpose of our conferences is to offer health supervision for well, young children. It provides continuous health observation for those children in our community whose health would not otherwise be supervised. The chief purpose is to keep well children well and promote their best possible state of health. Mothers learn some of the fundamentals of child care which they might have no other way of learning. It is a combined education and health service which our organization offers to the community. There were 22 Well Child Conferences held during our fiscal year with 468 infants and preschool children examined by Dr. C. James Gormley. There were 36 referrals to family physicians for illness or defects noted in the children attending.

We are continuing to assist the Board of Health in their work — providing home visits whenever necessary. There were 310 home visits and office visits made this past year, showing a total of 355 as compared with 270 visits made the previous year. One nurse has assisted at each of the ten Chest Clinics held at the Jordan Hospital at which time 354 persons were X-rayed and examined. There have also been thirteen Immunization Clinics held at the Board of Health office from 1 to 2 P. M., every second Friday of each month, with one of our nurses assisting. At these clinics, 650 injections and vaccinations have been given. This clinic is an invaluable service to the people of Plymouth because unless these preventive measures, which medical science has discovered, are used, our children can and will suffer and die needlessly. It

behooves every parent to be sure that their children are protected against Polio, Diphtheria, Whooping Cough and Tetanus. It would be proper here, to use the old adage, that, "An ounce of prevention is worth a pound of cure," because these diseases can be completely eradicated if immunizations are received at the proper intervals.

On her day's rounds, the visiting nurse does many jobs. She is both nurse and teacher. She may help a diabetic youngster learn how to give himself his injections or she may give a bath to a bedridden grandmother. It's part of her job, when she's called in, to be aware of emotional and economic problems which affect health, and steer the family to agencies which can help.

She works with the doctor in explaining the whys and wherefores of treatment. In a long term illness, such as Tuberculosis, she teaches the family how to prevent the spread of the disease and she makes sure no aspect of care is neglected until the disease is under control.

By guiding the family toward better health and helping them prevent spread of disease, the lady in blue safeguards and improves the health of the community as a whole and she is available to everyone who needs her.

PLYMOUTH PUBLIC LIBRARIES

DIRECTORS

Dr. Bryce Prindle President
Mr. John Farrell Vice President
Miss Sara C. Bodell Clerk
Mr. Walder J. Engstrom Treasurer

Mrs. Robert B. Bowler	Mr. Edward B. Garside
Mrs. Edward W. Burgess	Miss Laura R. Gibbs
Mr. Arthur G. Estes, Jr.	Mr. Roland W. Holmes
Mrs. William S. Franks	Mrs. Francis W. Savery

Katharine F. Freeland, Acting Librarian
to August 31, 1958

Eunice E. Sharp, Library Director,
remainder of year.

In presenting our annual report, we wish to thank all of the people of Plymouth for their support through taxation of the educational and recreational purposes of their libraries. At the same time we hope that all will feel a sense of proprietorship and a desire to visit the libraries to see what they offer in services, and to use them.

Personnel:

At the central library Mrs. Katharine F. Freeland was acting librarian until Miss Sharp assumed her duties on September 2, 1958. Mrs. Freeland continues as assistant librarian and cataloger. Miss Ann E. Lucas, Junior Department; Miss Carolyn Pratt, Records Assistant; Miss Margaret Osmond, Circulation Assistant; Miss Beverly Fohrder, General Assistant; Mrs. Allen Wood and Mrs. Charles E. Seifert, part-time assistants; altogether give the equivalent of seven full-time librarians. Miss Grace Haigh, librarian of Loring Branch, is assisted by Miss Elizabeth Stephan.

Acknowledgments:

When the Book Committee of the Board of Directors proposed that the library circulate paper backed books, we received generous donations of several hundred novels from a number of interested people. Although too numerous to name here, we wish to thank them all. We have received many books this year which have added to the pleasure of our borrowers and to the value of our service. We especially mention those books donated by the Garden Club and Woman's Club as memorials to deceased members of the clubs.

For carrying our book news we thank the Old Colony Memorial and the Brockton Enterprise. To the proprietors of local stores and banks and radio station WPLM we express thanks for assisting with publicity and exhibits during National Library Week and Children's Book Week.

It has been a pleasure for members of the staff to give book reviews when requested by schools and clubs.

Finally, our gratitude goes to the artists who have loaned their work, the art committee chairmen and teachers who have given their time in arranging the work which has been enjoyed and appreciated by our patrons. Miss Osmond of our staff made the schedules and helped with the arrangements.

Great Book's Discussion Group:

The group has been meeting every two weeks with the able leadership of Dr. and Mrs. Francis Scheid. By sharing their opinions and reactions to the ideas of great thinkers of the past, the members have enlarged their enjoyment of reading. The activity of this group is a good example of the value of libraries in fostering better informed citizens.

Anne Appleton Memorial Children's Library:

Loans of books to classrooms of the elementary schools increased to 44, with approximately 30 books in

each. The librarian, Miss Ann Lucas visited the schools, upon invitation of the teachers, giving talks about the new books for Children's Book Week in October. Miss Lucas and Miss Fohrder held a story hour at the Library that week also. As seventh grade pupils graduate to the adult department new young readers take their places, as will be seen in the statistics.

Loring Branch:

Miss Grace Haigh and her assistant, Miss Elizabeth Stephan have continued their good work for the residents of North Plymouth. Their services to young people and children have attracted a larger number to borrow more books than last year. School visits have been maintained as in previous years.

STATISTICS

Although the number of borrowers at the central library has decreased, more books have been read per person. Increases were registered in every month, with the greatest increase in May, and the largest total circulation, 7,730, in June. The program of buying up-to-date editions of encyclopedias has continued with replacements of Americana and Compton's Pictured Encyclopedias this year. The central library purchased 1,411 books and received 270 as gifts; a total which is one less than last year. Loring Branch acquired 525 books, 18 more than in 1957.

REPORT OF THE BOARD OF PUBLIC WELFARE

The members of the Board of Public Welfare on January 1, 1958, were Joseph H. Nogueira, Chairman, John J. Magee, Margaret E. McLean, Dexter M. Brooks and Francis H. Murphy.

At the Annual Town Election held on Saturday, March 1, 1958, John J. Magee and Francis H. Murphy were re-elected members of the Board of Public Welfare for three years.

At the organization meeting of the Board of Public Welfare held following the Town Election, Francis H. Murphy was elected Chairman of the Board of Public Welfare and Albert A. Saunders, Agent, was re-appointed Secretary of the Board.

The Board of Public Welfare as Directors of the Town Infirmary, re-appointed Flora L. Cavicchi Superintendent, and for the 52nd consecutive year, re-appointed Sarah A. Dickson the Matron of the Town Infirmary.

OLD AGE ASSISTANCE

In the Old Age Assistance category of Public Assistance, the case load decreased gradually during the year from 433 cases at the opening of the year to 412 at the close of the year.

The total Old Age Assistance payments in 1958 were \$526,997.33. The Federal Grants amounted to \$201,952.69 which with \$373.07 of Federal money remaining from last year totaled \$202,325.76. The share of the Commonwealth of Massachusetts will be approximately \$232,334.95. The Town received \$5,805.13 from other Cities and Towns for Old Age Assistance persons settled in Plymouth and residing in other communities, leaving the cost to the Town of Plymouth for Old Age Assistance \$86,904.56.

AID TO DEPENDENT CHILDREN

In the Aid to Dependent Children category, the year began with 83 cases composed of 66 Parents and 169 Children. There was a slight increase during the year and at the close of the year there were 89 cases with 68 parents and 189 children receiving this category of assistance.

The total expenditure for this category of assistance this year was \$146,380.79, an increase of \$6,817.63 over last year. The Federal Grants amounted to \$58,127.46 which with \$2,101.17 remaining from the previous year made available \$60,228.63 of Federal Funds, the share of the Commonwealth of Massachusetts will be approximately \$48,793.59 and this will leave the balance of \$37,358.57 as the approximate cost to the Town of Plymouth.

DISABILITY ASSISTANCE

In the category of Disability Assistance, the year began with 44 cases and remained with little change up to the month of August when a steady increase monthly brought the case load up to 57 at the close of the year.

The expenditure for the year was \$63,010.98. Federal funds were available in the amount of \$21,272.01, the Commonwealth's share approximately \$25,986.90, leaving the cost to the Town of Plymouth approximately \$15,752.07.

GENERAL RELIEF

During the 1958 year, 150 cases were granted "outside" assistance, 102 new applications were approved, and 42 cases that were interviewed were referred to other agencies or denied assistance for various reasons.

127 cases were closed during the year and 24 re-applied again for relief.

67 cases were being assisted at the start of the year which were composed of 187 persons, the peak load was in the month of February with 69 cases composed of 190

persons. The load gradually decreased to the month of November and the year closed with 55 cases composed of 162 persons.

The expenditures for General Relief amounted to \$56,136.25 and the Town of Plymouth paid other Communities for Plymouth settled cases, the amount of \$3,889.95 making the total "Relief" cost \$60,847.30. The 1958 appropriation was \$60,115.00. Income from Trust Funds was \$10.57 and \$721.73 was transferred from reserve. The Commonwealth, individuals and other Cities and Towns paid the Town of Plymouth \$16,170.03. This amount included \$7,800.00 which was the result of a suit "for aid granted" against the City of Boston. The cost to the Town of Plymouth for this category of Public Assistance was \$44,677.02 for the 1958 year.

INFIRMARY

The services and facilities of the Town Infirmary were made available to 11 "homeless" persons, a total of 2,024 resident days. The total cost at the Infirmary for 1958 was \$11,439.58. The Commonwealth, other Communities and individuals reimbursed the Town \$2,610.09, leaving the cost to the Town of Plymouth \$8,829.49.

IN CONCLUSION

The Massachusetts Department of Public Welfare Medical Care Plan, extends to the Public Assistance Recipients, a complete system of Medical Care.

On March 1, 1959, a major change becomes effective, and "All items of Medical Care will be payable directly to the Vendor."

The Administration of Public Assistance has become increasingly complex and with the extensive changes in the Medical Care Plan which require "Approval" and "Authorization" for many items and forms for billing of all medication, Drugs and Medical Supplies, has made the

Medical Care Plan complicated and detailed and has added not only a large amount of work to the Department but a substantial increase in cost of operation.

Respectfully submitted,

FRANCIS H. MURPHY, *Chairman*,
DEXTER M. BROOKS,
JOHN J. MAGEE,
MARGARET E. McLEAN,
JOSEPH H. NOGUEIRA,

*Board of Public Welfare
Directors of the Town Infirmary*

REPORT OF TREE WARDEN

To the Honorable Board of Selectmen:

Tree planting is a must on new streets of approved layouts. Approximately 125 trees of different varieties, Norway and Schwedler maples and a few elms, were planted.

Spraying of trees for red spider and aphids had to be done. The heavy infestation was due to last year's dry weather.

Tree pruning was carried out, keeping the trees clear of dead wood and broken branches.

I want to thank those who have made my work more pleasant through the year.

JOHN KENNEDY,
Tree Warden.

In Memoriam

HOWARD L. PRIESTLEY

Superintendent

Cemetery Department

1947 - 1958

Died June 1, 1958

REPORT OF THE CEMETERY COMMISSIONERS

The maintenance of the several cemeteries has been carried on the past year, but with some serious interruptions in the personnel of the department.

Our Superintendent of Cemeteries, Mr. Howard L. Priestley, died suddenly on June 1, 1958, thus causing the loss of his experienced services at the busiest time of the year.

Mr. Priestley had served as Superintendent since 1947 and, as such, had managed the care of the cemeteries with outstanding ability.

Mr. Austin S. Fratus, working under Mr. Priestley as foreman, carried on through the summer as Acting Superintendent, and in November was appointed Superintendent.

Mr. John B. Finney, who had served as Commissioner from 1945, and as Chairman of the Board since 1953, resigned from the Board October 15, 1958, on account of his health.

Mr. Finney's previous experience in road building, landscaping, and other outdoor work was of great value to the department, and we feel the Town has been very fortunate to have had his services on this Commission.

At a joint meeting of the Selectmen and the remaining Cemetery Commissioners Mr. George E. Randall was appointed to fill the vacancy on the Commission caused by the resignation of John B. Finney.

On account of the excessive rainfall through the spring and summer months, more mowing than usual was necessary in all of the cemeteries.

In Oak Grove and Vine Hills Cemeteries some new blacktop was laid, and some that was laid in previous years was resealed. We do not recommend any appropriation for this work in 1959, as has been made in the past few years, as most of the avenues are now covered, and the road repairs in 1959 can be taken care of from the regular maintenance appropriation.

The building used as an office and tool house should be painted in 1959, and a new heater installed.

There is very little area left in Oak Grove and Vine Hills Cemeteries that is available for lots, but we feel it is advisable to use it all before opening up the new addition. There is one more section near the Easterly Samoset Street entrance that can be developed into 47 lots, and we are recommending an appropriation for this work.

The usual care has been given Burial Hill, and new trees have been set out. Some repairs will have to be made in 1959 to the Hearse House, and to the stone wall at the Spring Street entrance.

At the Manomet Cemetery part of the unimproved section near the center of the cemetery was graded and seeded, thus providing about 20 lots. We are recommending an appropriation to complete the grading and seeding of this section. This will greatly improve the appearance of the whole cemetery, and no additional lots will have to be provided in the near future.

The other Outlying Cemeteries have been mowed and cared for, and trees were set out at the South Pond Cemetery in place of those destroyed by the fire of the previous year, and some replacements were made at Chiltonville. Some repairs to the fences at Chiltonville and Cedarville Cemeteries will be necessary in 1959.

We are again recommending the purchase of a new truck for this department to replace the 1948 truck now in use, and on which the cost of repairs and maintenance is growing fast.

The Receipts and Expenditures of the Department may be seen in Schedules A and B of the Town Accountant's Report.

RICHARD T. ELDRIDGE, *Chairman*,
F. WILLARD DITTMAR, *Clerk*,
GEORGE E. RANDALL,

Board of Cemetery Commissioners.

AUSTIN S. FRATUS, *Superintendent.*

REPORT OF THE PLANNING BOARD

The duly elected Planning Board continued its function during the calendar year of 1958 in accordance with the vote of the Town passed March 26, 1949.

At the Annual Town Meeting Election in March, 1958, Mr. Bryce Prindle was elected a member of the Planning Board, taking the place of Mr. E. W. Brewster who, after serving continuously for eight years, did not run for re-election.

A total of 26 meetings were held during the year with 90% attendance by members.

During the year there was presented for approval under the subdivision control law a total of eleven (11) plans for subdivision into 416 lots. Six (6) of these with a total of 167 lots were approved; one (1) with a total of 35 lots was not approved; and four (4) with a total of 214 lots were pending at the end of the year.

In addition there was submitted during the year a total of 43 plans for which it claimed approval not required. All but two (2) were so found and endorsed.

The special committee appointed under Article 98 of the Annual Town Meeting in March, 1956, to study the advisability of revising our Zoning By-Laws reported further progress and their work continued during the year. They met with the Planning Board for conference on October 6, 1958.

At the Annual Town Meeting in March, 1958, the Planning Board reported to the Town on the Traffic and Parking Survey conducted by Bruce Campbell Associates of Boston, and the Planning Board recommended that the Town appoint a Special Committee of five to study the

report and to make recommendation to the Town. The report was accepted and the recommendation adopted.

The vote of the Town under Article 88 of the 1958 Annual Town Meeting authorized the purchase and demolition of seven additional parcels of property on Summer and High Streets by the Planning Board. All designated parcels were acquired for the Town, and demolition of all the buildings has been completed.

JAMES A. WHITE,
EDWARD CHASE,
A. LINWOOD ELLIS,
DAVID M. CRAWLEY,
BRYCE PRINDLE,
Plymouth Planning Board.

PLYMOUTH HOUSING AUTHORITY

This Authority has been operating the Veterans Housing Project at Olmstead Terrace and Standish Court since its building in 1949. The full tenancy since that time has demonstrated its usefulness and desirability.

There are forty units, equally divided into two- and three-bedroom houses. They are all equipped with a modern kitchen, dining area and living room. All vacancies over the past year have been promptly filled. The greater demand for housing is coming from the larger families who require three and four bedrooms. The population remains about static with from 74-78 adults and 108-116 children.

It is most gratifying to frequently hear complimentary remarks about the appearance of the houses and grounds. There is a general pride in appearance on the

part of most of the tenants and the interiors are tastefully decorated and well kept.

A children's playground has been partially developed in the rear of the project and it is hoped that sometime in the future the Park Department may have supervised recreation in this area for these youngsters.

The only major repairs necessary this past year were reglazing and painting of all the windows. Next year some of the clapboard houses will need one coat of paint. The shingled houses require less upkeep. There are the usual minor repairs and replacements of some of the facilities, such as water heaters and oil storage tanks.

The average rent paid in 1958 was \$53.50 including gas and electricity. The rental charges are based solely on income and limitations are necessarily placed on income for admission and continued occupancy. These charges and limitations are as follows:

Minor Dependents	Admission Limits	Continued Occupancy Limit	Rent
One or less	\$3,650.00	\$3,900.00	18% of income
Two	3,775.00	4,025.00	16% of income
Three or more*	3,900.00	4,150.00	14% of income

*\$100 deduction from total income for each minor dependent child in excess of three.

A summary balance sheet as of December 31, 1958, follows:

Assets

Administration Fund—Plymouth National Bank	\$1,426.25	
Administration Fund—Plymouth Federal Savings and Loan	25,081.85

Plymouth Housing Authority.

REPORT OF THE PARK DEPARTMENT

Personnel (Administrative):

May 14, 1958—Anthony V. Pioppi appointed to Commission to fill the vacancy caused by the resignation of Charles C. Wall.

Mar. 13, 1958—Walter Haskell re-elected chairman; Arthur Sirrico re-elected superintendent; Mrs. Mildred Dennehy re-appointed clerk. Board members include: O. Arrigo Guidaboni, John W. Searles, Edward J. E. Hand and Anthony V. Pioppi.

Receipts:

A total sum of \$16,188.96 made up the receipts of the Park Department during the 1958 season.

Responsibilities:

The maintenance, care and repair of sixteen (16) parks, eight (8) playgrounds, five (5) bathing beaches, and two (2) camp areas, all of a total 291 acres under the Park department program.

Playground Activities:

The eight week summer playground program under the direction of the park department at Stephens field, Veteran's field and the John A. Seiver Memorial Field brought out an attendance of 6,080 boys and girls, an average 760 attendance for the week at the three playgrounds. A total of 280 boys and girls participated in the organized activities of which 75 boys took part in Farm Club baseball; 20 boys played on the Junior playground team; 30 boys participated in the weekly 1,000 point contest; 45 boys and girls were enrolled in the arts and crafts classes; 70 boys and girls received instructions in tennis; and 40 boys and girls attended the weekly

cook-outs. Other daily routine activities included archery, croquet, horse shoe pitching, volleyball, softball, badminton, games, swings and slides. Approximately 250 boys and girls attended the baseball game in Boston as guests of the Boston Red Sox. The eight week program was in charge of playground supervisor Antone Spath.

Stephens Field:

Floodlights erected; new tennis court constructed; condemned wooden bleachers removed and replaced with new portable bleachers used during fall at John A. Seiver field; old bath house at Morton Park set up and used for work shop and storage.

Nelson Street:

Electric power plugs installed for trailer camps resulting in added revenue to town; parking area bulldozed; new slide for the children; planted several shrubs.

Morton Park:

New bath house opened; instituted paid lockers and paid toilets netting town \$196.95; widened roads; increased beach area both at Boys' swimming hole and Red Springs.

Beach Park:

Seawall damaged by storm; area south of bath house unfavorable throughout entire summer season; Eel River repaired from storm damage; filled in parking area north to town line.

Veteran's Field:

Erected fence around tennis court; loamed banks and seeded; repeated repairs to band stand caused by vandalism; trees planted; building painted.

Indian Reservation:

Increased size of parking area; maintained better policing throughout the summer; increased rental fees.

Rotary Circles:

Although not under the jurisdiction of the Park department, the department constructed flower beds and planted flowers at both rotary circles, i.e., Governor Carver Square and Town Wharf entrance.

General:

The work load of the department during 1958 was the heaviest in history. This was due largely to the increased vandalism that occurred mostly at Morton Park, Stephens field and Veteran's field; the increase rubbish removal with more people using park department facilities during the week-days; and the increased demand or request for public services.

Appreciation:

The Commission and the Department are again appreciative of the many courtesies and considerations that have been extended to it during the past year by the townspeople, town officials and other town department heads.

Respectfully submitted,

WALTER B. HASKELL, *Chairman*,
EDWARD HAND,
JOHN W. SEARLES,
O. ARRIGO GUIDABONI,
ANTHONY V. PIOPI,

Board of Commissioners.

ARTHUR SIRRICO,

Park Superintendent.

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its twenty-second report covering the activities of the Contributory Retirement System for the year 1958.

We bring to the attention of the members the following amendments to Chapter 32 of the General Laws, enacted in 1958:

Chapter 291. Amends Section 12(2) and makes brothers and sisters eligible for nomination as beneficiaries under Option (c).

Chapter 321. Changes the designation of membership groups from Group A, B & C to Group 1, 2 and 3, respectively and is merely a clarifying amendment.

Chapter 360 and Chapter 404. Both of these chapters amend Section 14, with regard to Workmen's Compensation.

Chapter 614. Amends Section 12(2) — Retirement Option (d) and adds a new Section 12B regarding survivorship allowances in certain cases.

Chapter 766 of the Acts of 1957 adding Section 91A has been amended by referendum making it applicable to all persons retired for disability, regardless of the date of retirement. In the opinion of the Attorney General, income earned prior to January 1, 1959, is exempted from this statute.

REPORT OF ADVISORY AND FINANCE COMMITTEE FOR 1958

Your Advisory and Finance Committee, after many hours of study and deliberation concerning the budgets and special articles, respectfully submits this report with its recommendations.

SUMMARY OF COMMITTEE RECOMMENDATIONS

Article 7	\$2,577,723.72	
Total of Special Articles	420,189.69	
State and County Assessments (net)	229,784.82	
Forest Fire Emergency Overdraft	73,966.79	
Overlay Deficit—1956	662.60	
Overlay for 1958 (estimate)	50,000.00	
Total Recommended Expenditures		\$3,352,327.62
Estimated Receipts	\$931,543.16	
Forest Fire Emergency Reimb.	66,570.11	
Excess and Deficiency (Articles 11, 12, and 24)	205,150.00	
Reserve Overlay (Article 10)	15,000.00	
Parking Meter Receipts (Article 17)	1,050.00	
Cash from Developer (Article 80)	2,040.00	
Cash for Waterfront Protection (Articles 27 and 28)	2,625.00	
Sale of Cemetery Lots and Graves Fund (Article 41)	2,000.00	
Total from sources other than tax levy		1,225,978.27
Net to be raised		\$2,126,349.35
Poll Tax 1958 (estimate)		8,500.00
Balance from real and personal taxes		\$2,117,849.35

Based on the 1957 valuation of \$35,570,700, this total will require a tax rate of approximately \$59.20.

An increase of \$1,000,000 in the valuation would reduce this tax rate by about \$1.70 to approximately \$57.50.

Each \$35,600 added to or subtracted from the net total above would increase or decrease the tax rate approximately \$1.

We have tempered our actions, consistent with the uncertain economic conditions existing.

It should be clearly understood that the committee, in its efforts to maintain the tax structure near its present level, has acted to insure the continued maintenance and protection of the present investment and to continue services that have been rendered the taxpayers and residents of the Town. We have also recommended actions that will, in the future, enhance the town in increased services and development.

Respectfully submitted,

A. Stanton Bubbins, Chairman

REPORT OF THE PERSONNEL BOARD

The Personnel Board recommends to the town that an annual increase of \$200.00 be voted in the Supervisory, Custodial, Fire and Police salary schedules. There are approximately seventy employees covered by these schedules and the additional cost to the town will therefore be about \$14,000. This represents an average increase of slightly over 5% to the employees involved.

This increase is recommended to adjust the salaries of these employees to a level more in line with salaries paid to similar employees in other comparable towns. Wage surveys indicate that over the past several years these salaries in other towns have risen nearly 10% more than have similar salaries in the Town of Plymouth. It is the opinion of the Personnel Board that this recommendation represents a fair and equitable adjustment which should be voted by the Town in order to maintain a proper relationship of salaries as between various positions within the town service and with those of other towns.

We are not recommending this year an adjustment of salaries in the Clerical and Labor classifications. Salary data which we have indicates that salaries now paid in these two classifications are satisfactory with respect to salaries for similar work performed in other towns and in local industry.

It should be remembered also that there has been no precedent established in the past several years whereby an increase granted to one group of town employees should automatically be granted to all employees. For example, in 1954 a wage survey indicated adjustment should be made in the Clerical and Labor classifications. Upon recommendation of the Personnel Board the town voted substantial increases to employees in these two classifications, but in this same year no increase was granted to employees in other classifications.

The Personnel Board has been in existence since 1950. It has recommended adjustment of salaries in five of the years since then. These recommendations, as is the case this year,

have always been made after careful consideration to the movement in the cost-of-living plus the level of salaries for similar positions in other comparable towns and in the local area. The ultimate cost to the taxpayer has always been kept in mind. The Town has always voted these recommendations. For the record they have been as follows: —

Salary Increases By Classification Since 1951

Classification	1951	1952	1953	1954	1955	1956	1957
A. Supervisory	10%	5%	None	None	2½%	None	4%
B. Custodial	10%	5%	None	None	5%	None	4%
C. Clerical	10%	5%	None	10%	5%	None	4%
D. Laboring	10%	5%	None	12%	5%	None	5%
E. Fire and Police	10%	None	None	None	5%	None	8%

REPORT OF COMMITTEE TO STUDY THE NECESSITY OF ACCOMMODATIONS FOR THE COMMISSION OF PUBLIC SAFETY

Representatives and Voters of the Town of Plymouth:

At the annual Town Meeting held in this building on March 25th of 1957, under Article 42 of that meeting the Town Moderator was instructed as follows:

Voted: That the Town instruct the Moderator to appoint a Citizens' Committee of three members, to include no Town officials or employees, to study the necessity of accommodations for the Commission of Public Safety, especially for a new location for the Police Department, and to raise and appropriate the sum of \$1,000 for necessary expenses of said committee.

Subsequently, your moderator did appoint to such a committee, the following persons:

Russell W. Anderson, Point Rd., Manomet
Parker F. Barnes, 189 Sandwich St., Plymouth
James J. Connell, 27 Holmes Terrace, Plymouth

At the first gathering of the committee:

Mr. Anderson agreed to serve as Chairman
Mr. Barnes agreed to serve as Secretary
Mr. Connell agreed to serve as Treasurer

Midway, in the proceedings of the Committee, Mr. Barnes found it necessary to move from Plymouth to another State, therefore making it necessary to resign from the Committee. By mutual consent of the two remaining members, Mr. Barnes was replaced by Mr. Robert G. Lowry of Doten Rd., Plymouth, who has since served as the third member.

A second meeting of the Committee was held with the Safety Commission for the purpose of hearing and resolving the needs of the town as expressed by members of the Commission.

Briefly, those needs were interpreted as follows:

The Plymouth Police Department must vacate their present quarters on Russell Street as rapidly as can conveniently and reasonably be done. The Plymouth County Commissioners have found an urgent need for these quarters for their

own use and have stated that rental of the building to the town of Plymouth will not be renewed.

New accommodations for the entire Police Department must be secured immediately. New accommodations should include some improvements: mainly more extensive housing for vehicles, improved ways of access and egress, and the addition of a department suitable to process juveniles separately from adults.

Attention was called to a letter now in the files of the Plymouth Water Department, dated Jan. 14, 1957, received from the New England Fire Insurance Rating Co. of 89 Broad St., Boston, Mass. The letter reads as follows:

NEW ENGLAND
FIRE INSURANCE RATING ASSOCIATION
89 Broad St., Boston

January 14, 1957

Board of Water Commissioners
Plymouth, Massachusetts

Gentlemen:

Acting on a request from the Board of Selectmen we have completed a survey of the fire protection facilities in Plymouth and have prepared the enclosed recommendations which are for your guidance whenever improvements are to be made.

Very truly yours,

PERCY C. CHARNOCK,

Manager.

PCC:HP
Encl.

Accompanying this letter is a full report and recommendations to the town relating to improvement of Water Supply, Fire Fighting Services, Fire Protection, and Building Code.

Under the heading Fire Dept., Page 4, Article 19 of that report appears the following recommendation and quotation: "That the Central Fire Station be replaced as soon as possible by a new structure of fire resistive construction designed to properly house fire department apparatus and manpower, and equipped to provide the functions and service required by modern fire department operation. The present station is

a serious fire hazard which jeopardizes the safety of personnel and equipment, and does not afford the space or facilities required for satisfactory operation."

Under the Heading "Fire Alarm," Page 5, Article 26, appears the following quotation and recommendation: "That Fire Alarm Headquarters and headquarters equipment be relocated in a separate fire resistive structure, so designed and located as to reduce as far as possible liability to interruption of service. All equipment to be placed on non-combustible mountings and no unnecessary combustible material permitted to remain within the fire alarm room."

Note: If provisions are made to maintain the fire alarm headquarters in the recommended central fire station, the fire alarm section should be of fire resistive construction and completely cut off from the remainder of the building with entrance from the outside only.

Further reference was made to a manual published by the National Board of Fire Underwriters, principally to an article defining the limits of areas within congestive areas, within which a central fire station and alarm system must be kept — to cause adequate protection and to control fire insurance rates.

All Members of this Committee and the Public Safety Commission do concur that the sources of advice mentioned above are without question the most dependable and most impartial obtainable, and, in our opinion, should receive careful consideration.

On the strength of these recommendations, this Committee has proceeded with an intensive search for possible new locations for both the Police Department and the Central Fire Station. We have considered and studied the possibility of purchase of land and the construction of new buildings, combined and separate. The purchase of land, including a building or buildings which could be economically adapted to the purposes of each Department, both on one location or on separate locations; the adaptation of town-owned land to the needs of one or both Departments.

Other activities of your committee may be briefly noted as follows: We have met or otherwise been in contact one with another on many occasions. We have requested and conducted an open meeting at the Town Office Building to

encourage, hear, and consider public suggestions on the conduct of the work of this Committee.

We have studied and visited and selected 23 separate plots of land which we believed worthy of consideration.

We have received and have on file several letters, offering to the Town the sale of land or land and buildings which were believed by the writer and owner to be adaptable to Police or Fire Department needs.

We have obtained and compiled drawings and sketches showing the entire Plymouth Water System, Street System, Distribution of Housing, Land Contours, and relative locations of the several sites which have been offered and considered.

Fortified with this information, we have met and solicited advice from the members of the New England Fire Insurance Rating Association. Such advice was given rapidly, courteously and in no uncertain terms.

All except three of our twenty-three locations were definitely discarded as a possible Central Fire Station location. The balance of their advice was substantially as noted earlier.

We have made quite comprehensive surveys of the existing Central Fire and Police Station buildings, noting present and future needs in terms of floor and land areas.

We have prepared and caused to be inserted in this town warrant an article covering what we believe to be the further needs of the town as requested in Article 42 of last year's town meeting.

We would further explain and evaluate the results of our findings as follows:

We are faced with the immediate need to acquire land and structures suitable to house the personnel, vehicles, and activities of our entire Police Department.

It would appear in the best interest of the town to abandon and dispose of the existing Central Fire Station and to acquire land and structures suitable to house the personnel, vehicles and activities that are carried on in the present structure.

Police Department housing and facilities may be re-established anywhere within reasonable limits of the concentration of population of the town.

Central Fire Station facilities must remain within definite in-town limits which have been established by National Board of Fire Underwriters and the New England Fire Insurance Rating Association of 89 Broad St., Boston, Mass.

Moving the facilities beyond their limits would affect existing fire insurance rates to a degree which would discourage consideration of such a move.

Some economy would result from combining Fire and Police facilities in the same building or at least on the same plot of land.

The possibility of purchase and alteration of any existing structure for either or both Fire and Police needs does not appear to be an expedient or economical solution.

A rather careful survey of such structures as they are or could be available for consideration would indicate that costs to purchase and alter would equal or exceed those of new construction.

The limits defined within which the Central Fire Station should be located are as follows:

1. Northern limit, Murray Street
2. Southern limit, Water Street
3. Easterly limit, The Harbor
4. Westerly limit, Oak Street

Within these limits, it is difficult to find a plot of land suitable in size, contour, ease of access, or with soil conditions suitable to accommodate structures for either or both Department needs.

In view of these considerations, it seems advisable to abandon the hope of being able to combine both facilities within the limits required.

We therefore conclude and recommend as follows:

A — That the town acquire for present Police Department needs and future needs of other Town Departments the parcel of land located near the intersection of Route 44 (Samoset Street) and Route 3 (By-Pass).

It might be well to state our reasons for selecting this site. The area selected does offer these advantages:

1. Rapid and easy access to points north, south, east, and west over direct established truck highways.

2. Proper street frontage on Route 44 which will undoubtedly be rebuilt and improved in the near future.
3. Soil conditions are stable and excellent to accommodate new construction, paving, etc.

It seems probable and logical that the area immediately adjacent to that selected will continue to develop into a controlled business and industrial concentration, in which case a branch fire station might then be advisable and possible on the site selected for the Police Station.

Improvement of Route 44 and westerly extension of water mains will unquestionably cause normal expansion of the town in a westerly direction.

At the time, we are unable to make definite recommendation to the Town relative to a proper location for a new Central Fire Station. The need for such a building seems evident and the reason for such well founded and conclusive.

At this time, it does not seem physically or economically possible within the required limits to be able to combine both Fire and Police Department buildings and facilities. The physical needs for both Departments have been quite well studied and determined.

The needs of the Police Department can and should be resolved and presented as rapidly as possible.

The needs of the Fire Department, due to the previously mentioned restrictions, cannot be resolved as rapidly as those of the Police Department. The location and planning for a new Central Fire Station is a matter of considerable importance and expense and should not be resolved in haste nor without considerable intelligent thought and study.

Actual attempts and negotiations are in progress by the Committee to obtain definite offers of sale to the Town of two plots of land for Police Department needs. Both are located at or near the recommended area of the intersection of Route 44 and the By-Pass.

We further recommend that the moderator of the meeting be instructed to take such action as is necessary to continue to a definite conclusion the studies which have been started by this Committee as they may relate to the location, plans, and costs of a new Central Fire Station and Police Station and report to the town at the next regular Town Meeting.

We have had inserted in the Town Warrant an article requesting that the Town appropriate a sum of \$1,000 to be combined with the substantially intact residue of the \$1,000 which was appropriated for the needs of the Committee at the Town Meeting of last year.

We propose that the combined sums be applied by this Committee or a new Committee to defray the cost of studies, drawings, and cost estimates sufficient in scope and accuracy to allow this, or a new Committee, to present the town with a definite proposal for their consideration at the next regular town meeting.

If the town so desires and directs, the present Committee is willing to accept the responsibility of continuing and carrying on to a reasonable conclusion and presentation the work which we have started.

In consideration of the precise wording of the article which directed the work of the Committee, we feel that we have accomplished no more and no less than was required of us under that instruction.

To conclude:

We, the members of this Committee, extend to the town our appreciation of the confidence you have entrusted in us.

It is our hope that our findings and recommendation will serve to allow the members of this, or a new committee, meeting to arrive at a rapid and intelligent conclusion as to the needs of the Department of Public Safety of the Town of Plymouth.

Respectfully submitted,

RUSSELL W. ANDERSON
JAMES J. CONNELL
ROBERT G. LOWRY

COMMITTEE TO STUDY THE TOWN'S NEED FOR ADDITIONAL SCHOOL BUILDINGS AND REGIONAL SCHOOL DISTRICT

The Committee of Five was appointed by the Moderator by motion voted under Article 36 at the Annual Town Meeting, March 23, 1957. The Committee was given two (2) basic problems to study, namely, the need of the Town of Plymouth for additional school buildings, if any, and the advisability of entering into a regional school district. In order to arrive at intelligent recommendations it was necessary to make a complete study of the school system and its facilities.

We held numerous meetings both in conjunction with and separate from the School Committee. We held meetings with the Advisory and Finance Committee, State School Building Assistance Commission in Boston, and with people who have recently undertaken regional school set-ups. We have studied and profited by the report of the School Building Site and Study Committee. We have visited all schools in the Town of Plymouth, and schools in other towns, and we have kept in mind the financial situation of the Town in order to arrive at our recommendations. With regard to the school building needs, we have three (3) specific recommendations which are at the end of this report.

In answer to the second part of the question, we find it would not be advisable for the Town to enter into a "regional school district." The benefits of a regional school are more than offset by the restrictions and loss of complete control which are inherent in a regional school agreement. Plymouth's geographical characteristics and its school population are such that it should maintain its own independent school system.

In answer to the first part of the question, we find that there is a need for additional rooms in the Junior and Senior High Schools. The need for additional rooms is the result of changes in curriculum, the adoption of more advanced teaching methods, and the offering of more varied courses, rather than a substantial increase in school enrollment. At the elementary level, we agree with the findings of all previous school study committees that the Cornish and Burton school buildings have outlived their usefulness and should be discontinued.

In studying the "Town's need for additional school buildings, if any," we were faced with two distinct problems related to this question. The first and most pressing being the closing of the Cornish and Burton schools, and the second being the need for additional rooms in the secondary schools. With reference to the Cornish and Burton school buildings, these occupy a site completely inadequate for today's needs. The buildings, built from 1840 to 1905, are inefficient to operate and need considerable alterations to conform to today's standards. Therefore, any plan for the building of new schools or additional facilities should include as a primary consideration the closing of these two buildings.

The second problem is the growing need for an expanded and improved curriculum in the secondary schools with particular emphasis on the senior high school years. Additions to existing school buildings, except the Manomet school, are not advisable or feasible because they do not meet with the State requirements to be eligible for State participation. We would like to note that the schools presently in use are well situated for the areas they serve, that they are well run and maintained, however, DUE TO THEIR AGE AND SIZE OF LOTS, and other factors, they do not lend themselves to expansion.

Any new school buildings should allow for flexibility within the school system. Therefore, we are recommending the building of a Senior high school to house grades 10, 11, and 12. The school should be designed with 600 seats and provisions for additions to accommodate 300 additional seats when the need arises. The new school should be of a functional design, economical to build and operate. It should include the installation of heating, plumbing, electrical, and ventilating systems, and auditorium to meet the requirements of 900 seats. Then if additions are made in the future it will be necessary to add only the classrooms that future requirements might dictate without making changes in the original building. This building should be located on a lot of sufficient size to meet the need of future expansion.

We are recommending the renovation of the Junior-Senior High School buildings to house grades 5, 6, 7, 8, and 9, except grades 5 and 6 in the Manomet School. Under this plan the elementary schools, with the exception of the Manomet School, will house grades 1 through 4, and the Cornish and Burton schools will be taken out of service.

The enrollment of 464 pupils in grades 10, 11, and 12 will go into the new high school with 600 seats, thereby allowing for an increase in enrollment. The enrollment of 421 pupils in grades 5 and 6, excepting Manomet, will go into the present Junior-Senior High School in place of the 464 Senior High School pupils. This will allow for increase in enrollment in grades 5 through 9. With the discontinuance of the 11 classrooms of the Cornish and Burton schools, 330 seats will be taken out of service. Therefore, more pupils will be transferred out of the elementary schools than were enrolled in the Cornish and Burton schools which will allow for increase in enrollment in grades 1 through 4. The pupils in grades 1 through 4 of the Cornish and Burton schools will be housed in the remaining elementary schools from which the 5th and 6th graders have been transferred.

With the building of new highways, and the changes in the ways of living, it would seem logical to assume that Plymouth will grow. However, there is no way of knowing where or when it will grow. It is evident that we must make plans to meet these changing conditions. We feel that the Town should acquire parcels of land for school purposes in those areas in which it is evident that growth of population will occur, and where new centers of population will develop. By acquiring land in an area before the need of a school is evident the Town can build schools on the sites without the problems of high prices, taking land by eminent domain, or through costly and lengthy negotiations. The Planning Board should be consulted so that any lot purchased would conform to zoning and the like.

Below are our three specific recommendations:

Recommendation 1—That the Moderator appoint a Senior High School Building Committee of seven (7), one of which shall be from the School Committee. This committee to report to the Town at the next annual Town meeting with plans, specifications, and estimates of cost for the building of a 600-seat, 3-year Senior high school. The building should be functional and economical to build and operate, all installations of a common nature in the building should be built to accommodate 900 seats.

Recommendation 2—That the Moderator appoint a Renovation Committee of seven (7), one of which shall be from the School Committee. This Committee to direct the renova-

tion of the present Junior-Senior High School and make the necessary changes to adapt the building to house classes 5 through 9. All renovations and changes to be made in conjunction with the building of the new high school and the School Committee's schedule for transferring the 5th and 6th grades from the elementary schools into this building. The renovations to be completed not more than a year after the completion of the new Senior High School building.

Recommendation 3—That the Moderator appoint a Committee of Five (5) for the purpose of recommending to the Town the purchases of future school sites. This Committee to report to the Town for a period of four years at each annual Town meeting with its recommendations.
